Want to do Tiffani?

Gentlemen and others, meet Tiffani, 24, a barmaid from Denver, Colorado, who contacted us about fucking one of our studs for the magazine when she was staying over in Miami before taking a Caribbean cruise with a couple of her girlfriends. She is 5'10, weighs 134 pounds wears 34B bras and prefers Victoria's Secret panties. "I didn't tell my friends what I was going to do," said Tiffani. "I told them I had to do my family duty and visit a boring old aunt, and they'd have way more fun on the beach."

Storekage.com

"It was so great to fuck Jarrod outdoors," said Tiffani. "That's the first outdoors fuck I've had–and now I want to experience it more often. It was weird to feel the breeze around my pussy while I was being plugged. I like to be on top for sex so I can set the pace till I'm ready to cum, but I'll do it any way a guy wants to. I like doggie style, but some guys seem to think that if I let them do me that way, they get automatic access to my butthole, and that's not for the taking. Not yet, anyway. I don't mind it if a guy slips a wet finger in there while we're screwing–it feels kinda nice–but that's it. It was really cool that they shot the photos in POV (point of view) so it will seem to the guys that I'm doing them. I can't wait to see the magazine."

"I never expected to have an orgasm," said Tiffani. "I figured that being watched and photographed would kill that for me. But I was wrong. I had a big orgasm and felt kinda foolish because of all the noise I made. But that was the first fuck I'd had in nearly three months and I really needed to cum. I work nights and often six nights a week, so I don't have much time for ordinary dating. Some nights at work when I'm really horny and a sexy guy comes up to the bar, I'd love to pull him over the bar and onto the floor and jump his bones. And I really wouldn't care if everyone watched us. But I have to settle for going home alone and diddling myself, instead. I loved my *NN* fuck, and I hope all the guys do, too."

SEXBEAT

Real news items to entertain and inform you and, perhaps, even help you to get laid more often

SLOW IT DOWN, COWBOY!

This advice is from Lloyd Lester, author of *Ejaculation by Command.*

If you're like most guys reading this, you probably want to know how you can last long enough to satisfy your woman in bed, don't you? There is no need to feel let down by your lack of endurance in bed. All you need to do is to understand why you're not lasting long enough and what you can do about it. There are certainly a good number of causes, but here are the more common ones:

Wouldn't you want to take your time doing Kylee?

1. Quick Masturbation. Well, are you surprised? You shouldn't be. You see, guys are "wired" to ejaculate fast during masturbation. After all, it is our pleasure to want instant gratification. It is very common for guys to climax in under a minute or two during masturbation. So when it comes to sex, our bodies are already conditioned to climax quickly.

What is the solution? Well, easy! Take more time during masturbation. Don't rush through it. When you feel you are about to climax, stop the routine and resume it when you feel you've tapered off a bit. This will consciously train you to last longer.

2. Performance Anxiety. If you think you can't perform in bed, chances are, you won't. And you're likely to ejaculate too soon. The more stressed out and anxious you are, the more unlikely you're able to control your orgasm.

So how can you get out of this rut? Simple. Practice some stress-relieving techniques at home. Meditation, yoga and deep breathing will help to a great extent. And while many guys overlook this, regular exercise is an excellent stress-reliever and will enhance your bed performance too!

3. Lacking Knowledge Of How Their Bodies Work: Quite simply, most guys don't know how their bodies actually respond during sex and the triggers that cause them to ejaculate prematurely.

The solution to this? Understand your mental ejaculation triggers and use natural conditioning to enhance your mental threshold for stimulation. The great thing is that most guys already have this innate ability to control ejaculation.

For example, "edging" is a very effective masturbation technique to identify and progressively raise your ejaculatory threshold. This is where you bring yourself close to the edge of ejaculation, allow the arousal to subside, resume stimulation, and repeat for good measure! Once you learn the natural conditioning techniques such as this, and put them into practice, you can easily curb or delay the ejaculation triggers and significantly increase your stamina in bed – for good!

Now, if you need a little extra help to last longer, try out these quick fixes. They should give you a few extra minutes in bed!

Use Extra Lube. Contrary to common perception, extra lube can slow down your ejaculation. Why? This is because it will cause less friction between your penis and her vagina, thus reducing your pleasurable sensations and your sexual sensitivity. So put that tube of lubricating gel nearby for quick use!

Put On A Condom. This is (almost) a no-brainer. Using a condom makes sex safer and also helps to reduce sensation–certainly a useful way to last longer in bed. For even better results, you can buy one of those specialty condoms or "climax control" types that will surely give you a boost in stamina in bed where you need it most.

SOME CITIES HAVE BIG DICKS AND SOME DON'T

Condomania, the online store, has released a ranking of penis sizes from the country's 20 most highly populated cities. They gathered the information from 27,000 men who placed orders for custom-fit condoms after measuring their penises with a "Fit Kit" downloaded from the company's website.

By penis size–smallest to biggest–the cities are: Dallas/ Fort Worth, Philadelphia, Detroit, Los Angeles, Denver, Boston, Columbus (Ohio), Indianapolis, Miami (Florida), Seattle, St. Louis, Chicago, San Francisco, Atlanta, Portland (Oregon), Phoenix, New York City, San Diego, Washington, D.C., New Orleans.

CHEESE & SEX? IT'LL HELP YOU

Cheese contains phosphorus and calcium which lower the mouth's acidity (improving the smell of your breathe) and increase saliva, making you more kissable

Cheese also contains phenylethylamine that functions as a stimulant, heightening mood and desire. So tonight curl up with your sweetie and take turns seductively spraying Cheese Whiz into each other's mouth. Make it your own version of the famous food foreplay scene in *Nine and A Half Weeks.*

CHEATING ON HER? IT'S IN YOUR GENES!

Researchers at Binghamton University, New York, have found that about half of all males and females have a gene that makes them more vulnerable to promiscuity and cheating.

Individuals with a variant of the DRD4 gene–the "thrill-seeking" gene–are more likely to go for uncommitted sex and infidelity. DRD4 is also responsible for alcohol and gambling addiction. It influences the brain's chemistry and therefore a person's behavior.

The desire to cheat or sleep around originates in the brain's pleasure and reward center, where the rush of dopamine motivates those who are vulnerable, the researchers say.

WE HAD ALEXIS WAY BACK!

By now, you've probably heard about and seen the porn star who had an "encounter" with actor Charlie Sheen in a hotel room in New York late last year. At present, it appears they are suing each other over the incident.

Well, Alexis was in *NN* way back in December 2007. This is what she looked like then.

WANT TO GIVE HER ORGASMS?

The more you satisfy her, the more sex you'll get

This advice from Vin DiCarlo, the author of *Pandora's Box*, is from askdanandjennifer.com

You want your lover to have an orgasm before you do. So she's happy, she's satisfied and she wants to have sex with you more.

Most women are controlled by their emotions, and by their minds. When you want to have sex with her, what do you do? Not grope her all over, but turn her on, starting in her mind. You bring her roses, wine and dine her, tell her how beautiful she looks, until she's overcome with desire, and must have you. Here's how to get her to orgasm without actually using your hands.

Telling Her To Orgasm

Telling a woman to cum is one of the most powerful ways to get her to orgasm when having sex. This primal urge goes all the way back to our caveman days–she gets off on you being in control of her body. So here's how you send her over the edge during sex:

- Use her favorite sex technique to bring her to the brink of orgasm
- Wait until you hear her breathing speed up, and see her start to "lose control" of her body
- Tell her you're going to make her cum. Don't ask her, just tell her!

Most of the time, this is exactly what she needs to hear to send her right over the edge. Pair this with some constant, unbreaking eye contact and deep thrusting during sex, and your woman will feel dominated in all the ways she fantasizes about.

Dominating Her

When it comes to sex, most women still have primal instincts that need to be satisfied. And these instincts tell her she needs to be "owned" by a dominant man. That's the only way she can orgasm.

So here's how to do it:

- Again, bring her right to the edge. This time, use a slower pace.
- Whisper a few words about how much you love her, right into her ear.
- Then, call her your baby, your girl, or whatever comes to mind.
- Some women will orgasm on this alone. If she doesn't, just add in the technique above. She's guaranteed to get off when you pair eye contact, deep thrusting, and these two techniques.

Setting The Mood

- Before you meet up with her, take a few minutes to make wherever you hook up as clean and serene as possible.
- Light a scented candle–something with a soft scent like vanilla.
- Before you start anything, tell her to take time with you to get rid of the stress of the day. Take a few deep breaths together. This helps you both relax and synchronizes your breathing just a bit, so your sex "rhythm" is even better later.
- Start your evening with an erotic massage and see where it goes.

10 TIPS FOR BETTER SEX

This is a summary of a piece on askmen.com. Number 5 is typical of the detailed suggestion that comes with each of the 10 tips.

10. Blindfold her. **9.** Give her instructions. **8.** Massage. **7.** Have her dress up. **6.** Tell her your fantasies. **5.** Strip poker is a good way to get naked. Once you are both naked (or nearly naked), you can start on the really fun part: A loss means the other person gets to choose what action is performed on them by the loser. Time limits like one minute on said action means that it is a prolonged game of seduction, which by the end will have you both clamoring to be both the winner and the loser. There are many other games you can play "strip" to, as long as there is regular winner and loser rewards and punishments. The great part about these games is that you can both ask the other person to do something in a certain way that you may not necessarily have ever done before. It can get rather filthy, and definitely lead to better sex in the end. **4.** Dirty talk. **3.** Try a new position. **2.** Use a cock ring. **1.** Try a new place.

Panties: Thongs **Anal:** No
BJs: I try to swallow **Diddle:** Rarely

"I really want to get a couple more tattoos, but they're expensive and since I'm paying my way through school, I don't have any spare cash," Kaylee said. "So the guy I spend time with these days suggested posing for his favorite magazine…and here I am. I said spend time with because I hate the word "dating." That implies all sorts of long-term things to me, and we're certainly not long-term as far as I'm concerned–and he knows it. I'm not into one-night-stands. I spend a bit of time with a guy before I'll screw him, and I'll dump him real quick if he's bad at sex and doesn't satisfy me."

Screwing Kaylee

"I hate to have a guy on top of me, but all other positions are great. I cum best doing it doggie style, especially if the guy spreads my cheeks apart and fingers my butthole. But I don't want a dick in there."

"My guy is nearly twice my age, but we have lots of similar interests," said Ashley. "The main one is sex. He loves teaching me all about it, and I love learning. I'd only had sex with boys before him. He's in one of my classes at the community college. We had some dates in coffee shops and went to the movies a few times before anything happened. Then, one night, when he was driving me home, I asked him, 'Don't you want to get into my pants?' So he drove to his house and it wasn't long before I experienced my first multiple-orgasm. The first of many."

Ashley's wildest sex

"My guy and I screwed in the back of his Beetle convertible in the college parking lot one night after class. We couldn't wait to get back to his place. It was a bit uncomfortable but super-hot and I came twice."

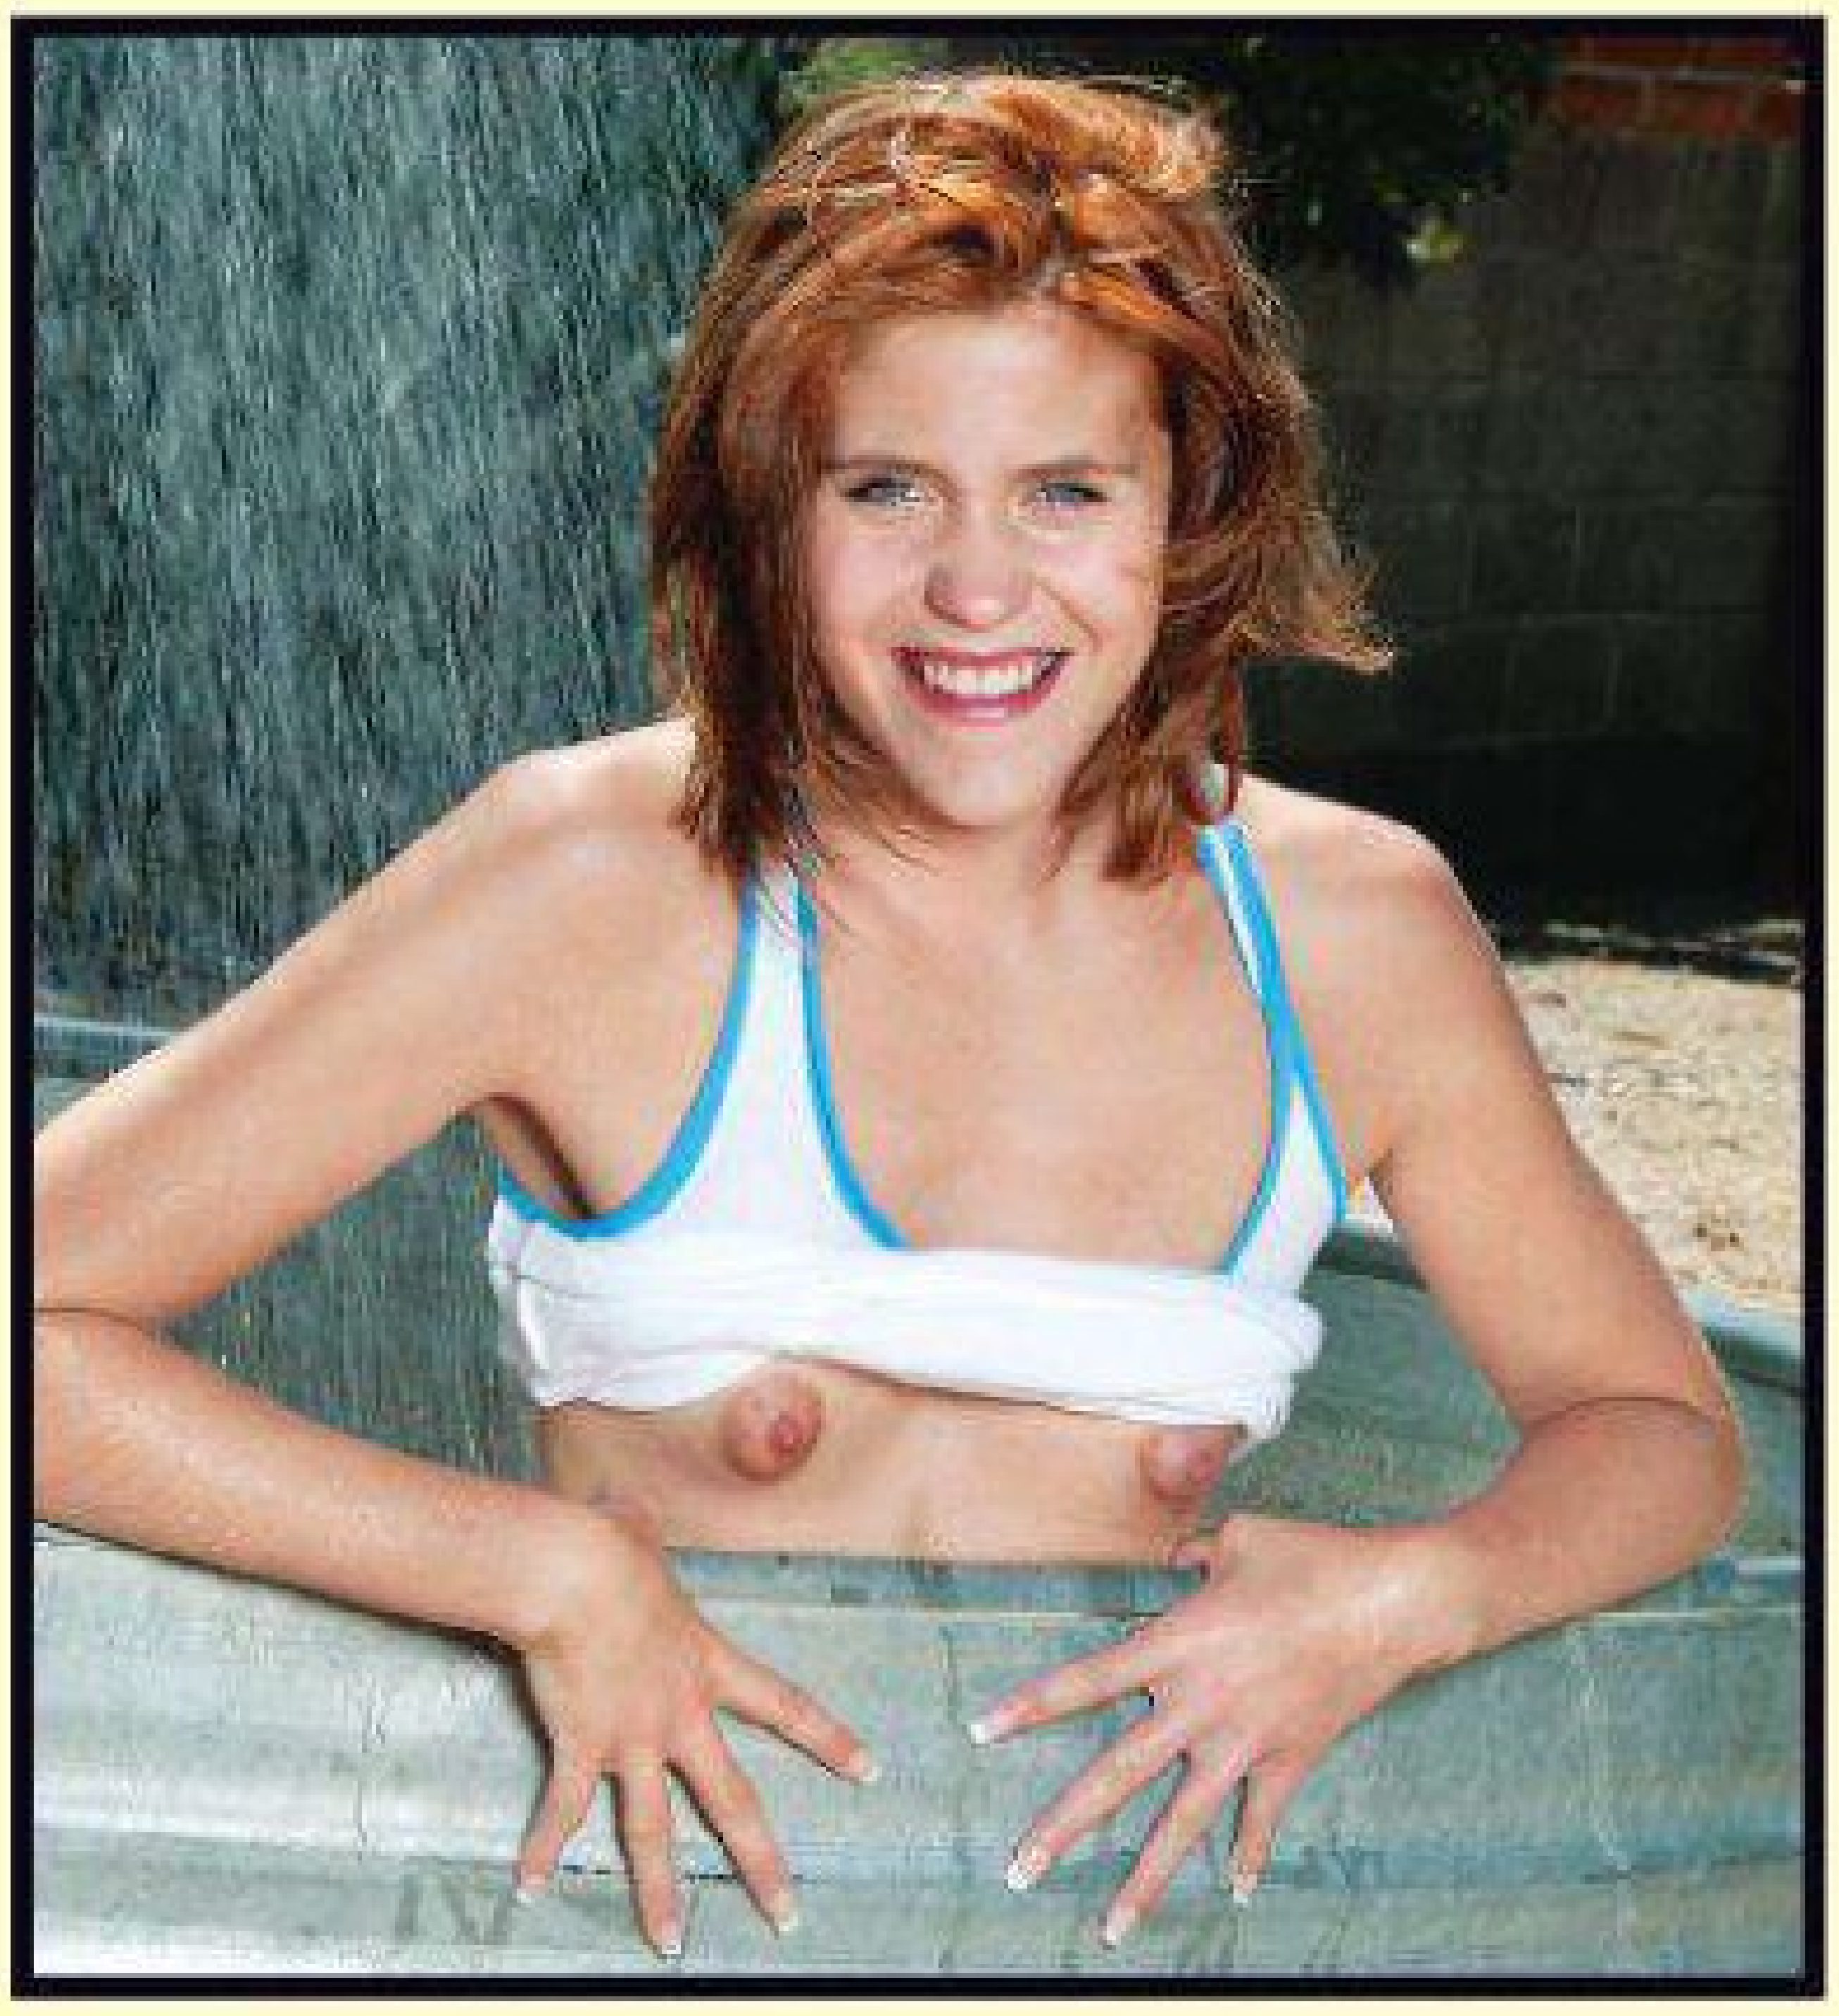
CALLBACK GIRL

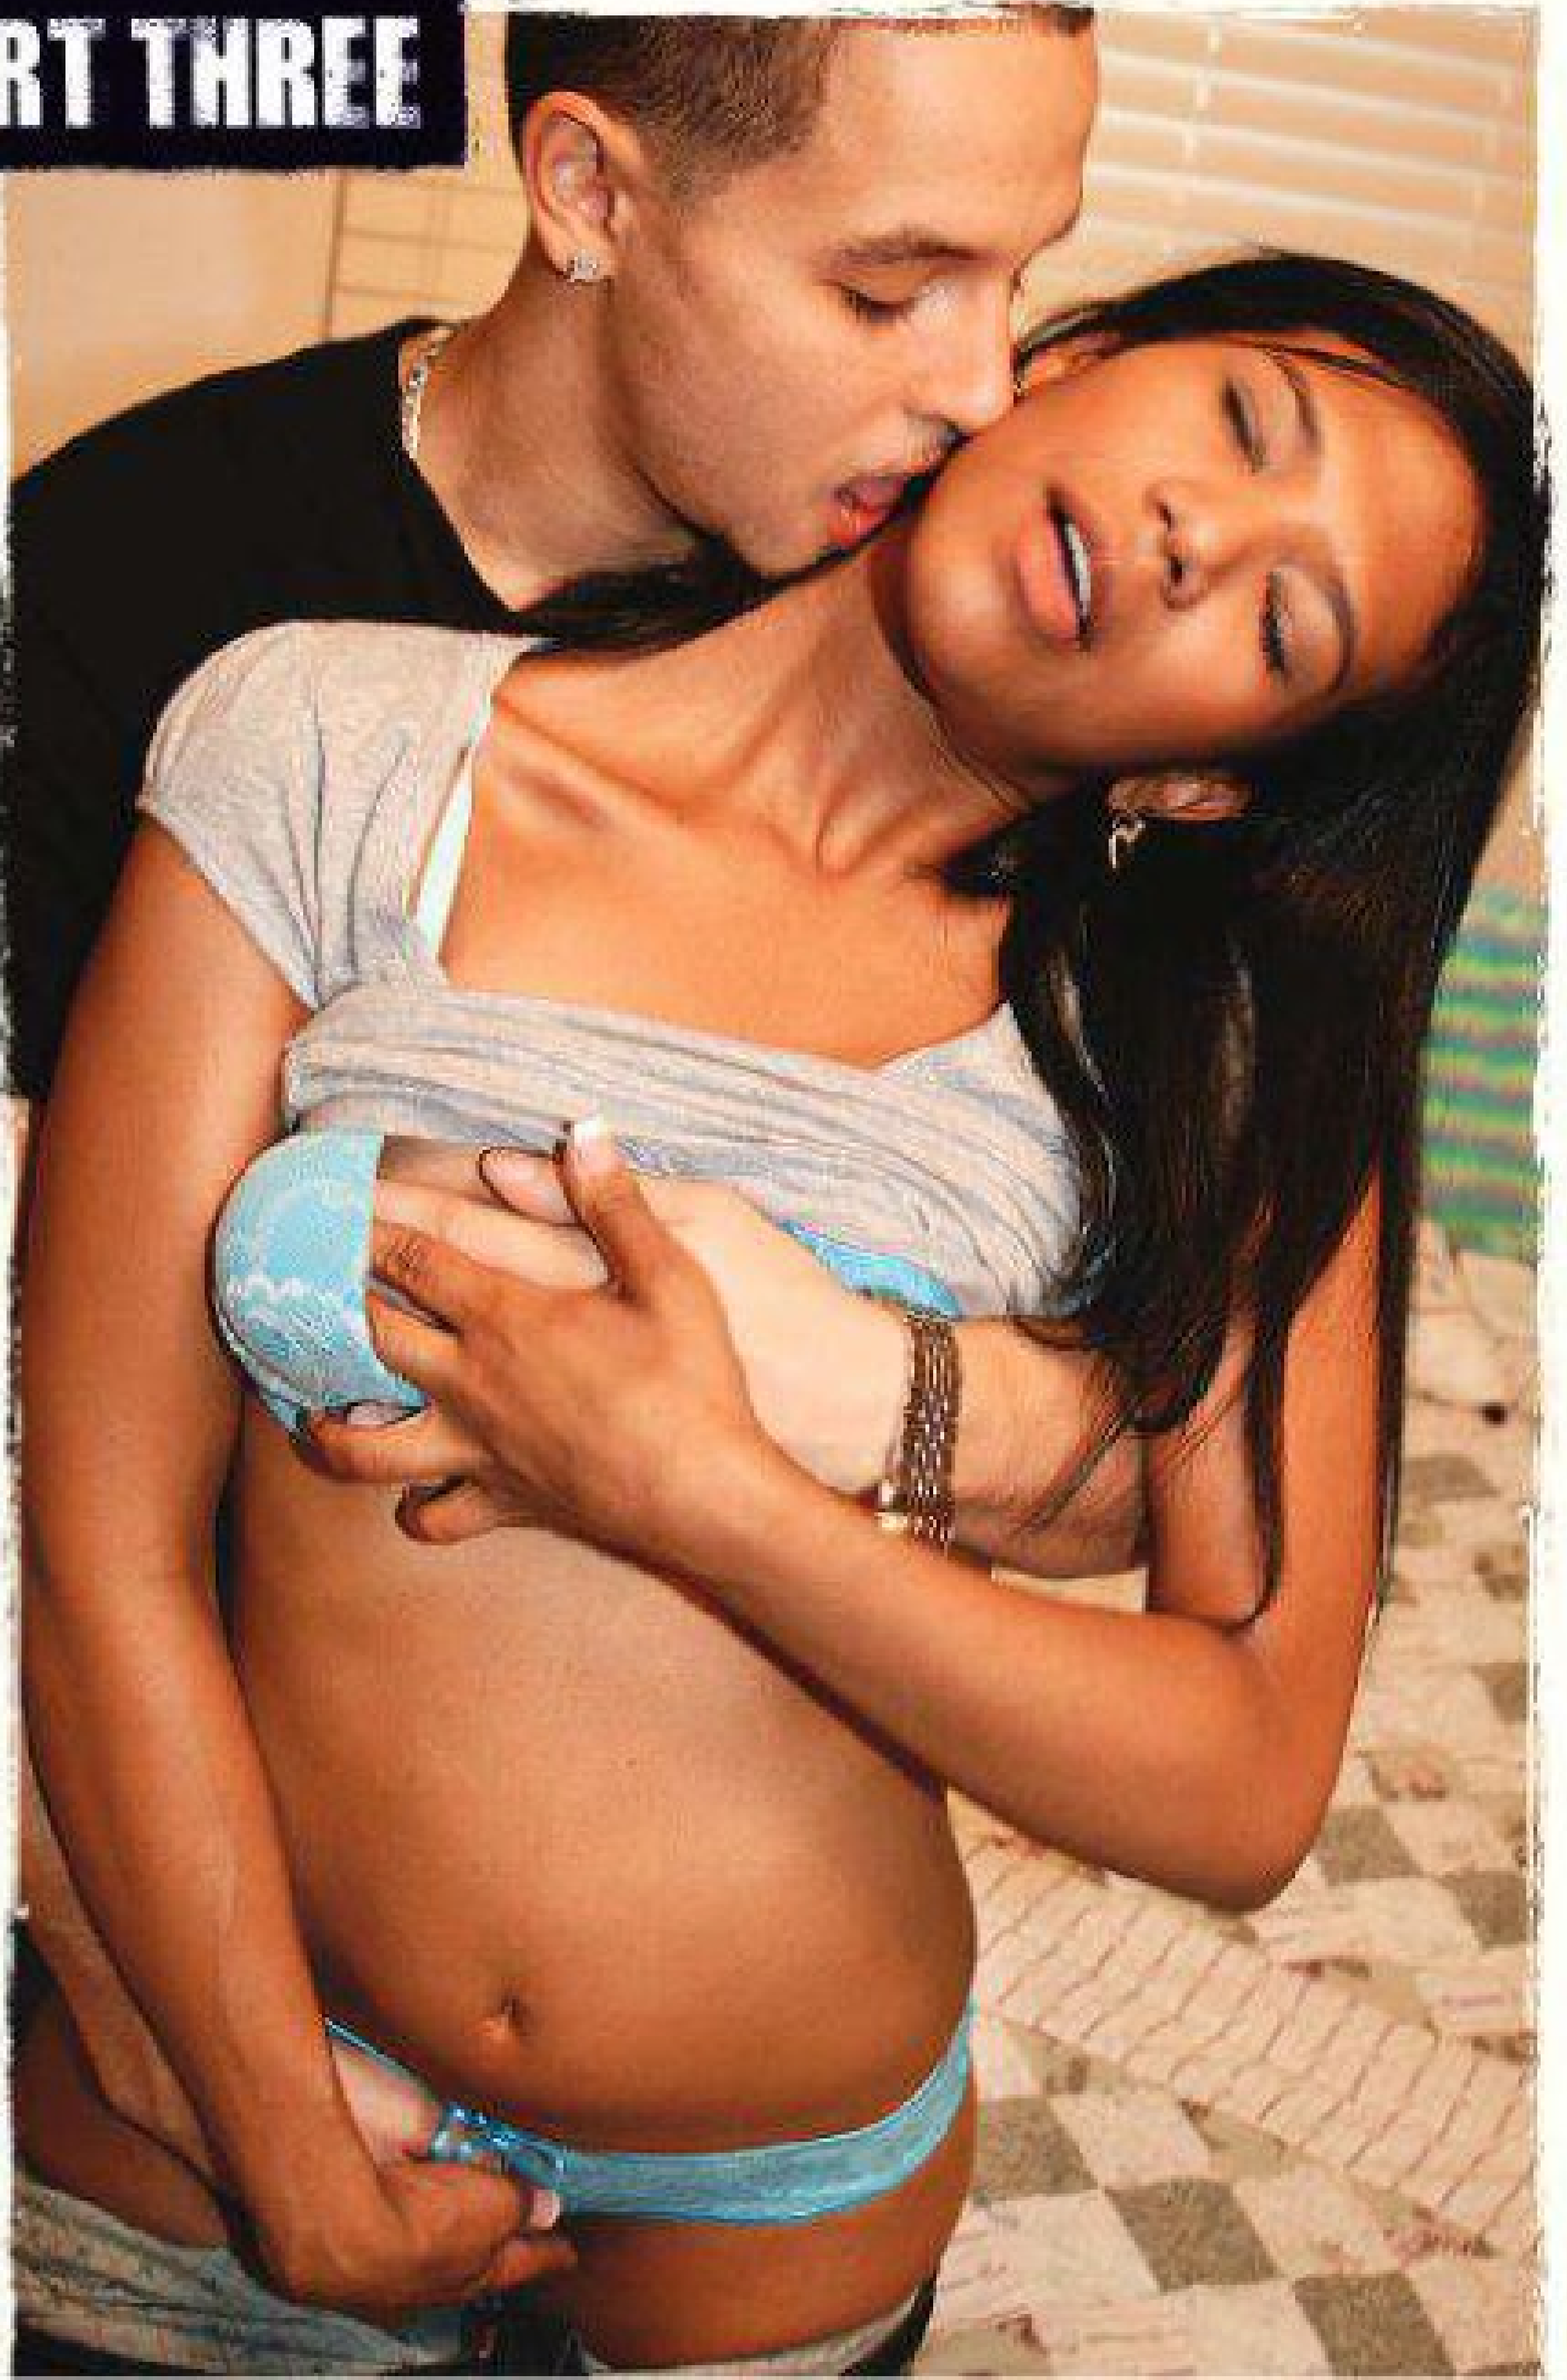
from Holiday '10



As with last month's voting, several girls split the votes, allowing Amber to take the *CallBack Girl* title from our Holiday '10 issue. The 20-year-old wannabe teacher from Albuquerque, New Mexico, narrowly beat out Sadie, the issue's *Bush Baby,* voluptuous Jane, young JC and Pearl, the main covergirl. Justine, the *Fuck Club* babe, also earned a large number of your votes. Here at *NN,* we had figured that Sadie would be the hands-down winner. Shows how much we know! Right then, gentlemen, please scrutinize the issue and send us your vote for the *Callback Girl,* using whatever rating system you have. Take a minute to email us now at: letters@naughtymag.com

NAUGHTY NEIGHBORS HOUSE PARTY
PARTY TIME IN LITTLE HAVANA

PART THREE

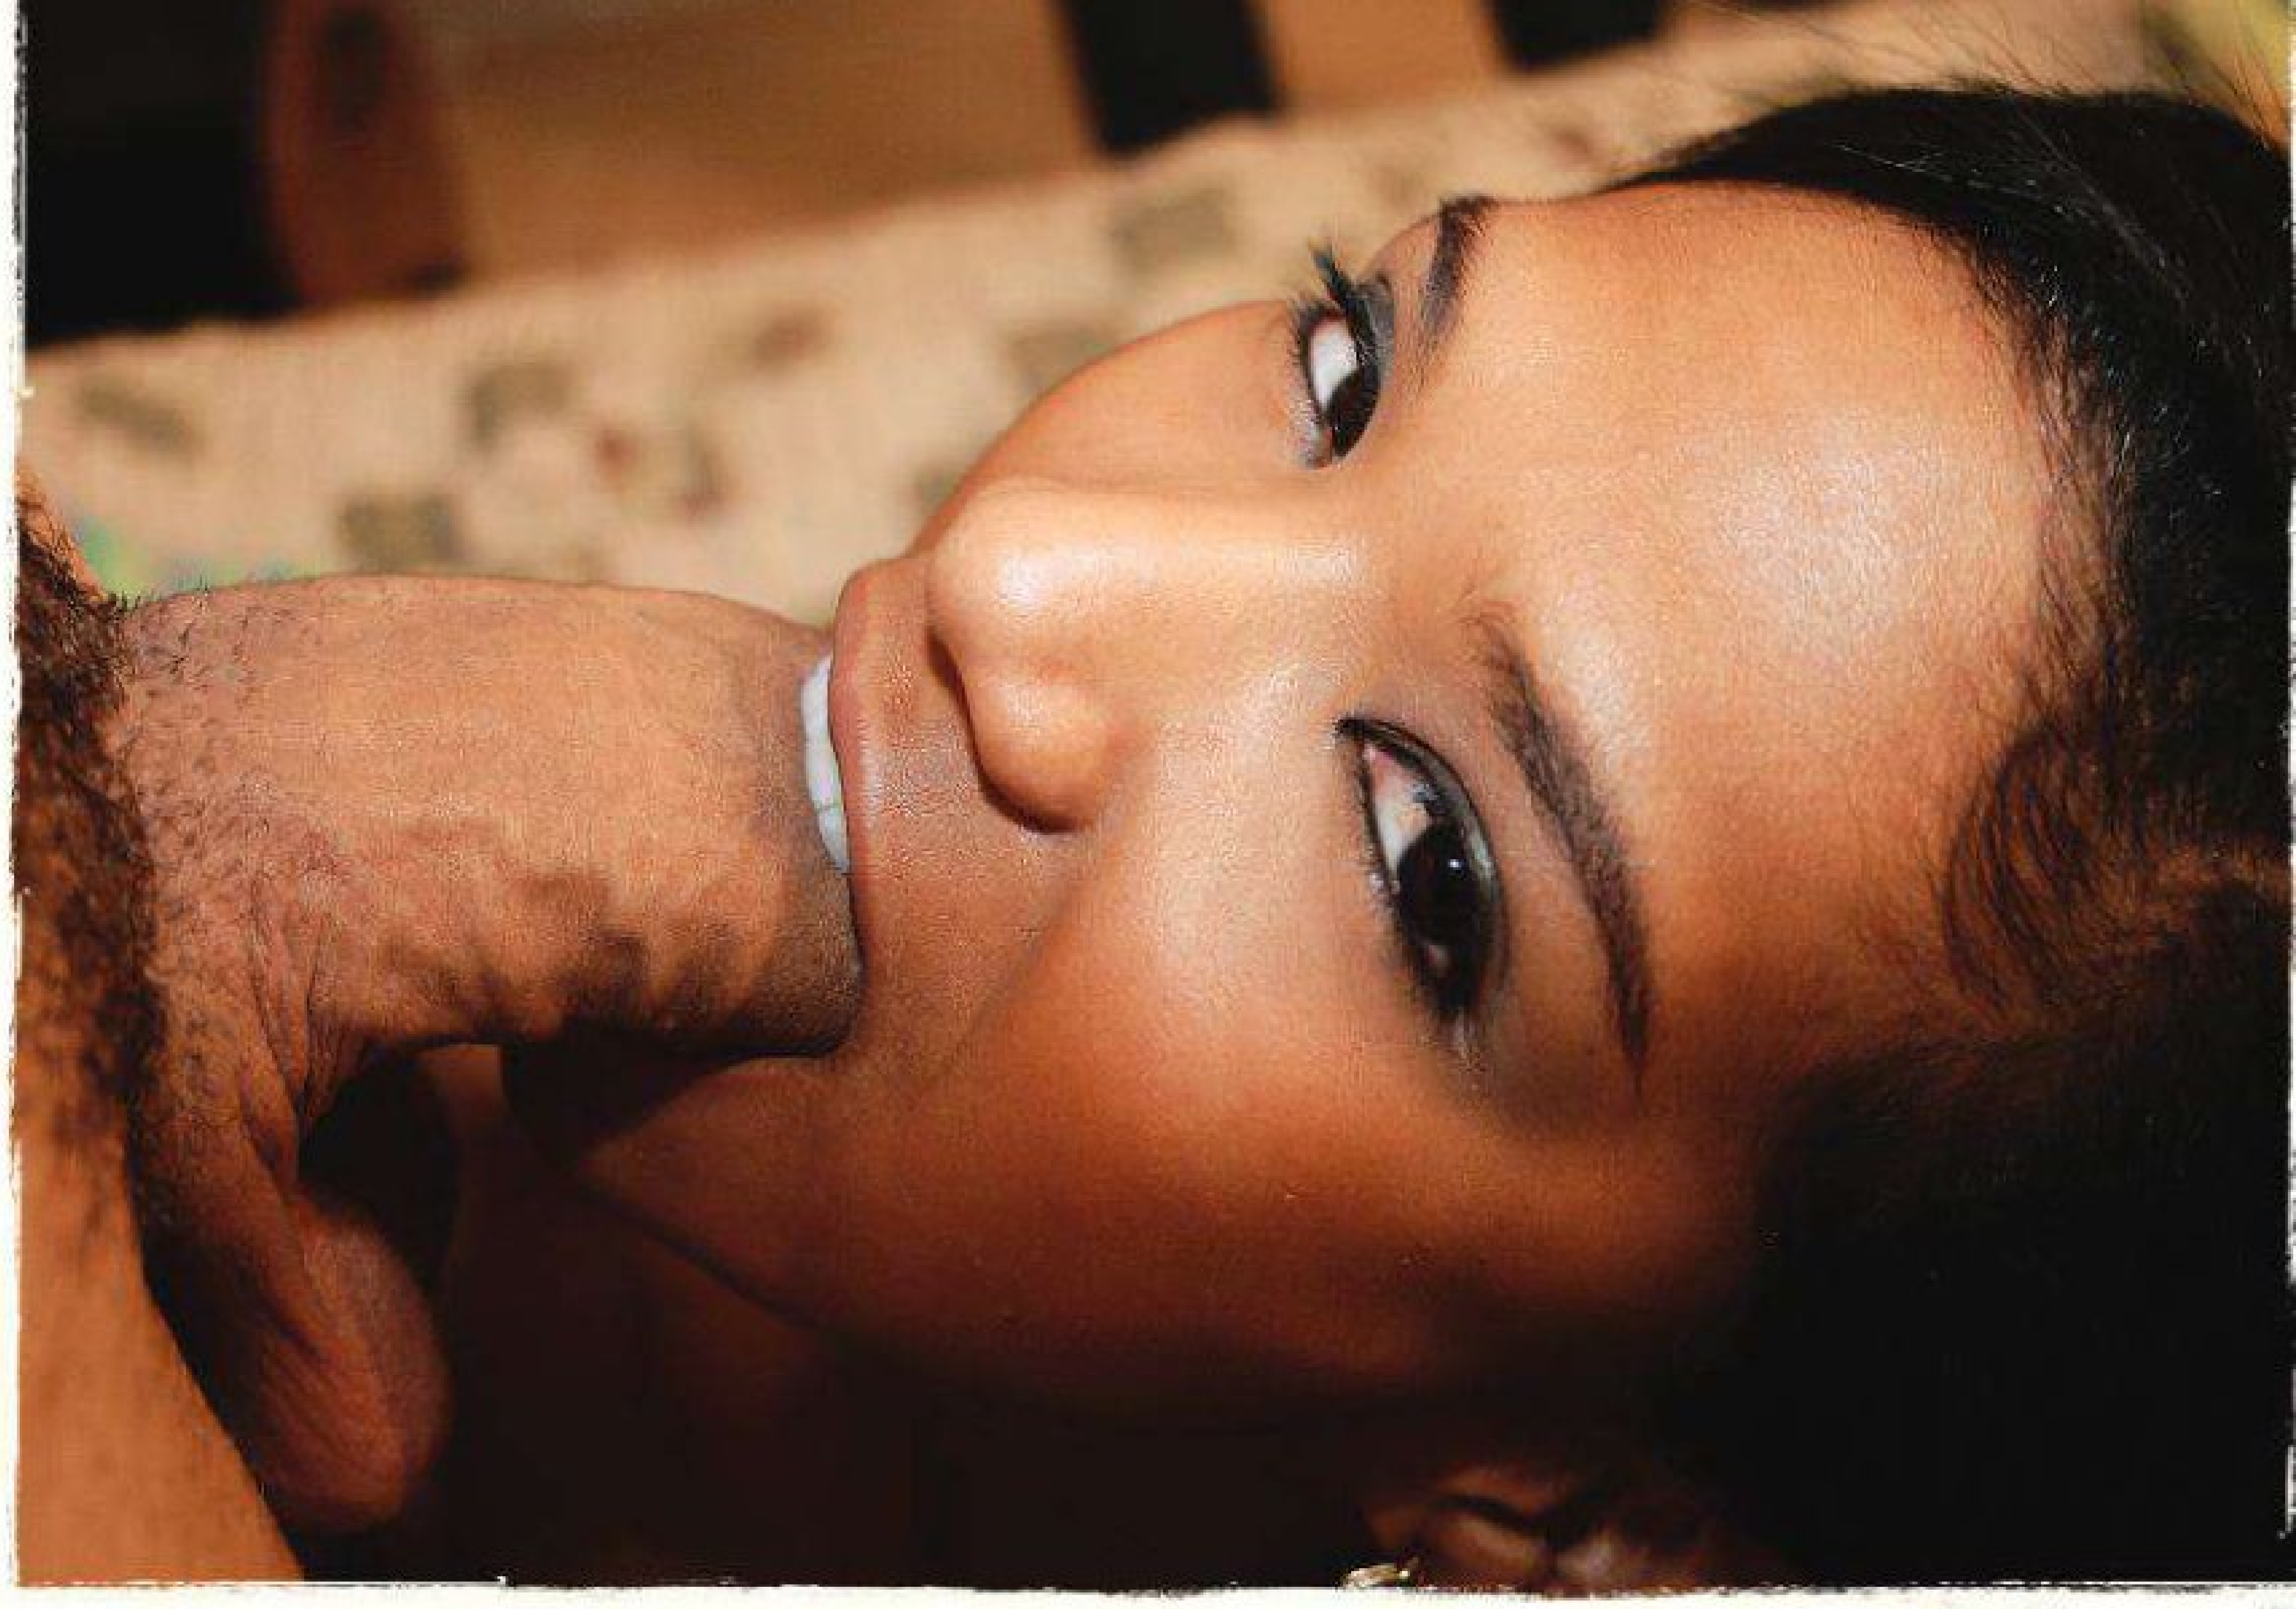


PARTY TIME IN LITTLE HAVANA

Have you heard of a party where public fucking broke out?

Here is another batch of photos from a house party in Miami that a couple of *NN* girls invited us to. We took still and video cameras along, not really knowing what to expect…but we sure as hell didn't expect to see anything like this! People soon noticed that young Emy was missing, but a group of fuck-watchers soon tracked her down to a bedroom where she was getting it on with Commando, one of the studs that The *SCORE* Group uses now and again. Emy confessed later that she didn't know how big his dick was before she saw it. But she loved it!

PARTY TIME IN LITTLE HAVANA

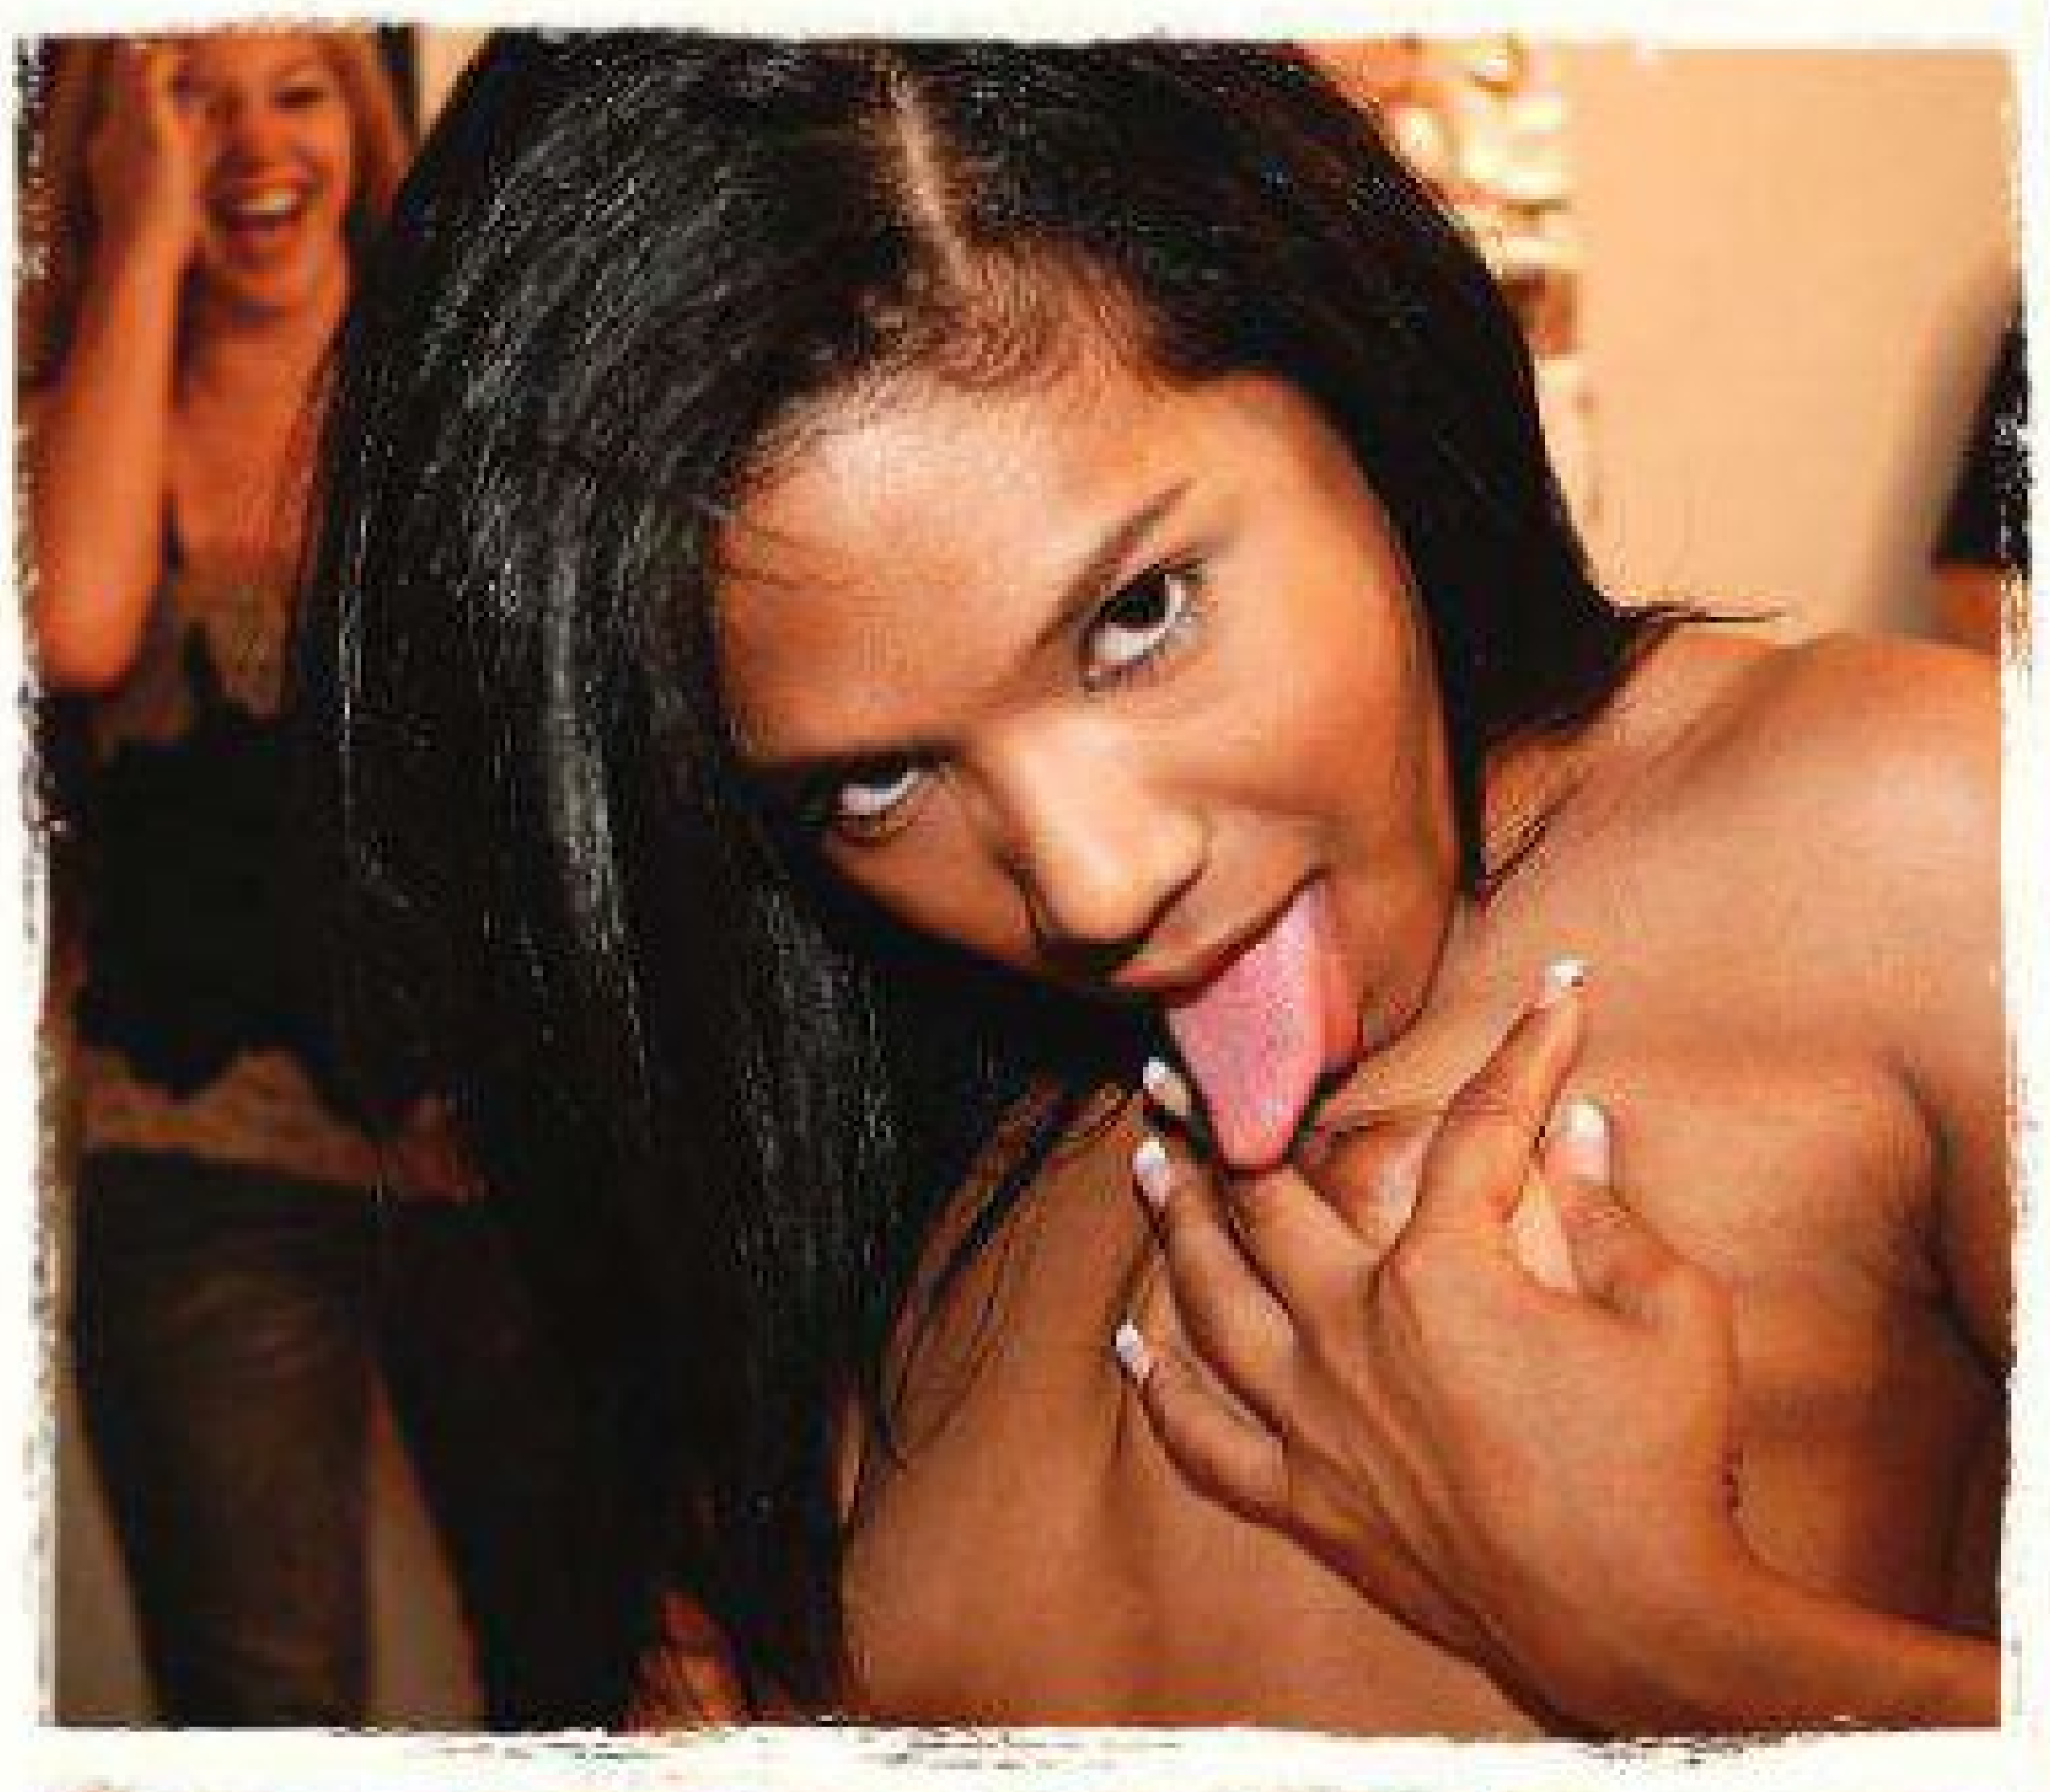


Onlookers loved the action and gave Emy explicit suggestions

Again, the party goers got involved in what the couple was doing; giving suggestions, making rude comments and sneaking in the odd fondle or lick. None of it put Emy or Commando off as she eagerly sucked his cock then spread her legs and opened up her pussy for his dick. You could plainly see the wonderment– and, possibly envy–on the faces of the other girls in the room as Emy got herself well and truly dicked by Commando's big cock. It was hard to tell if the other guys were jealous of his oversized wang, but we'd guess that most of them were.

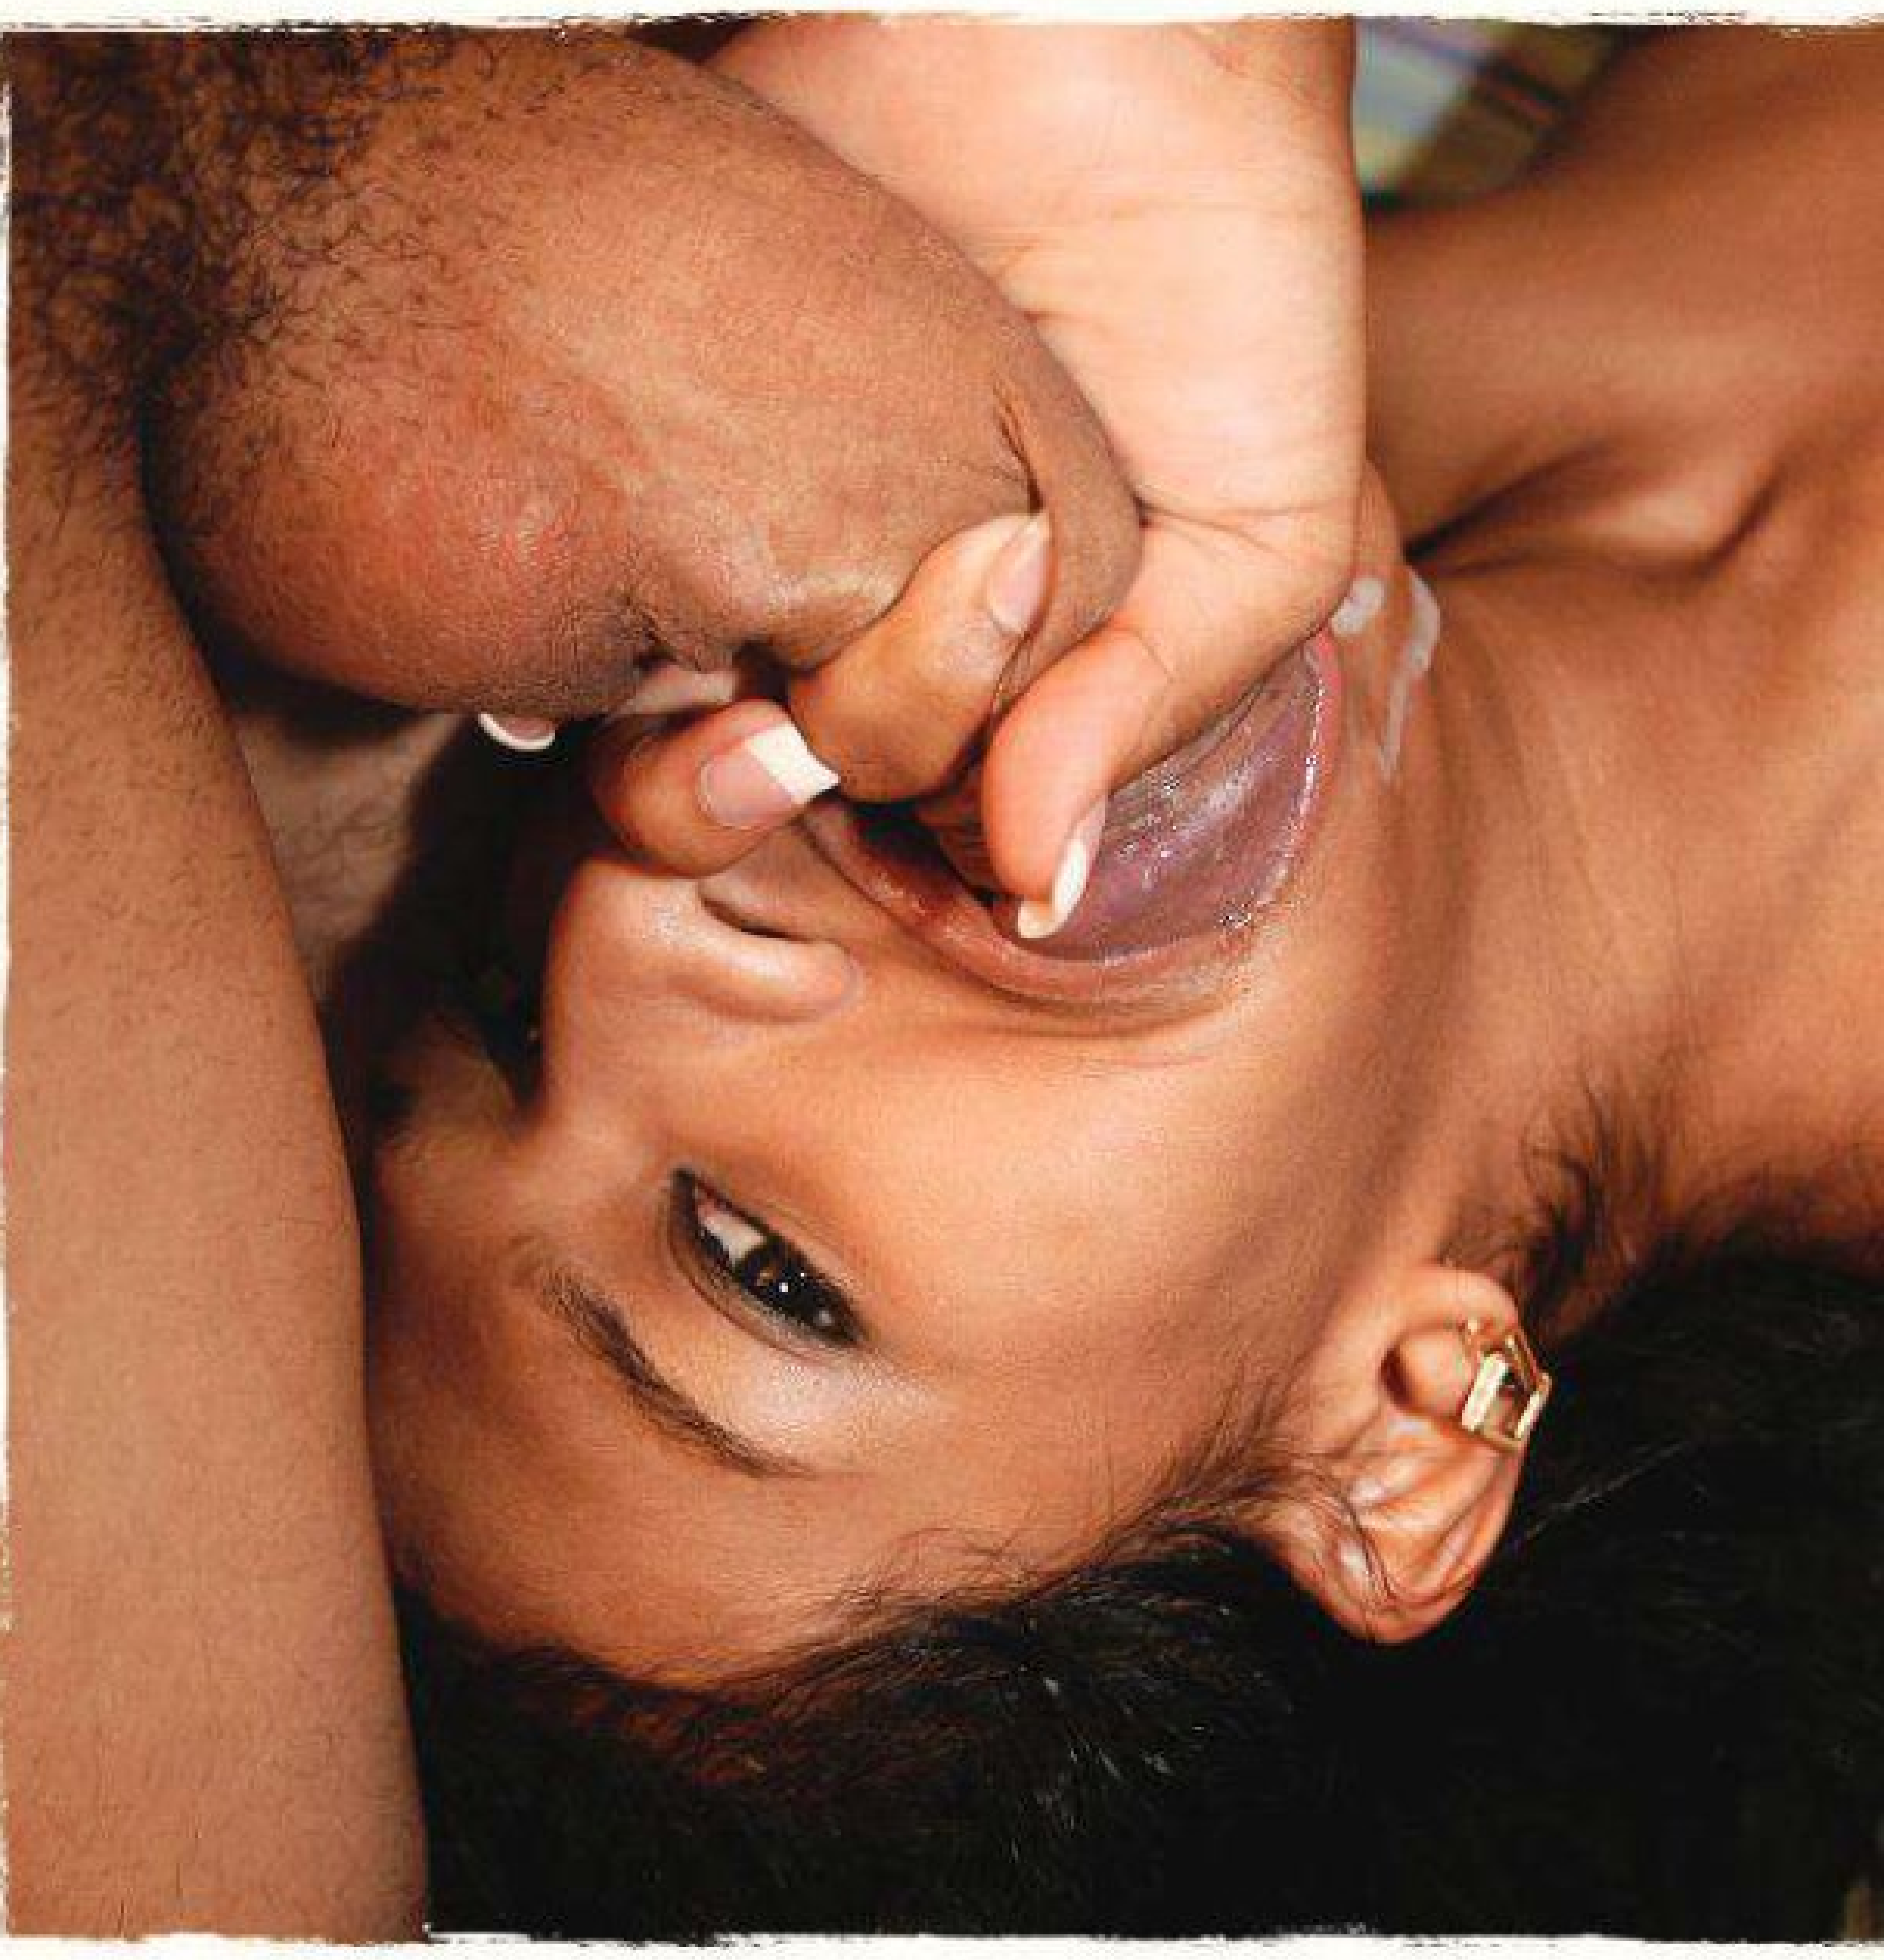
and deal with it

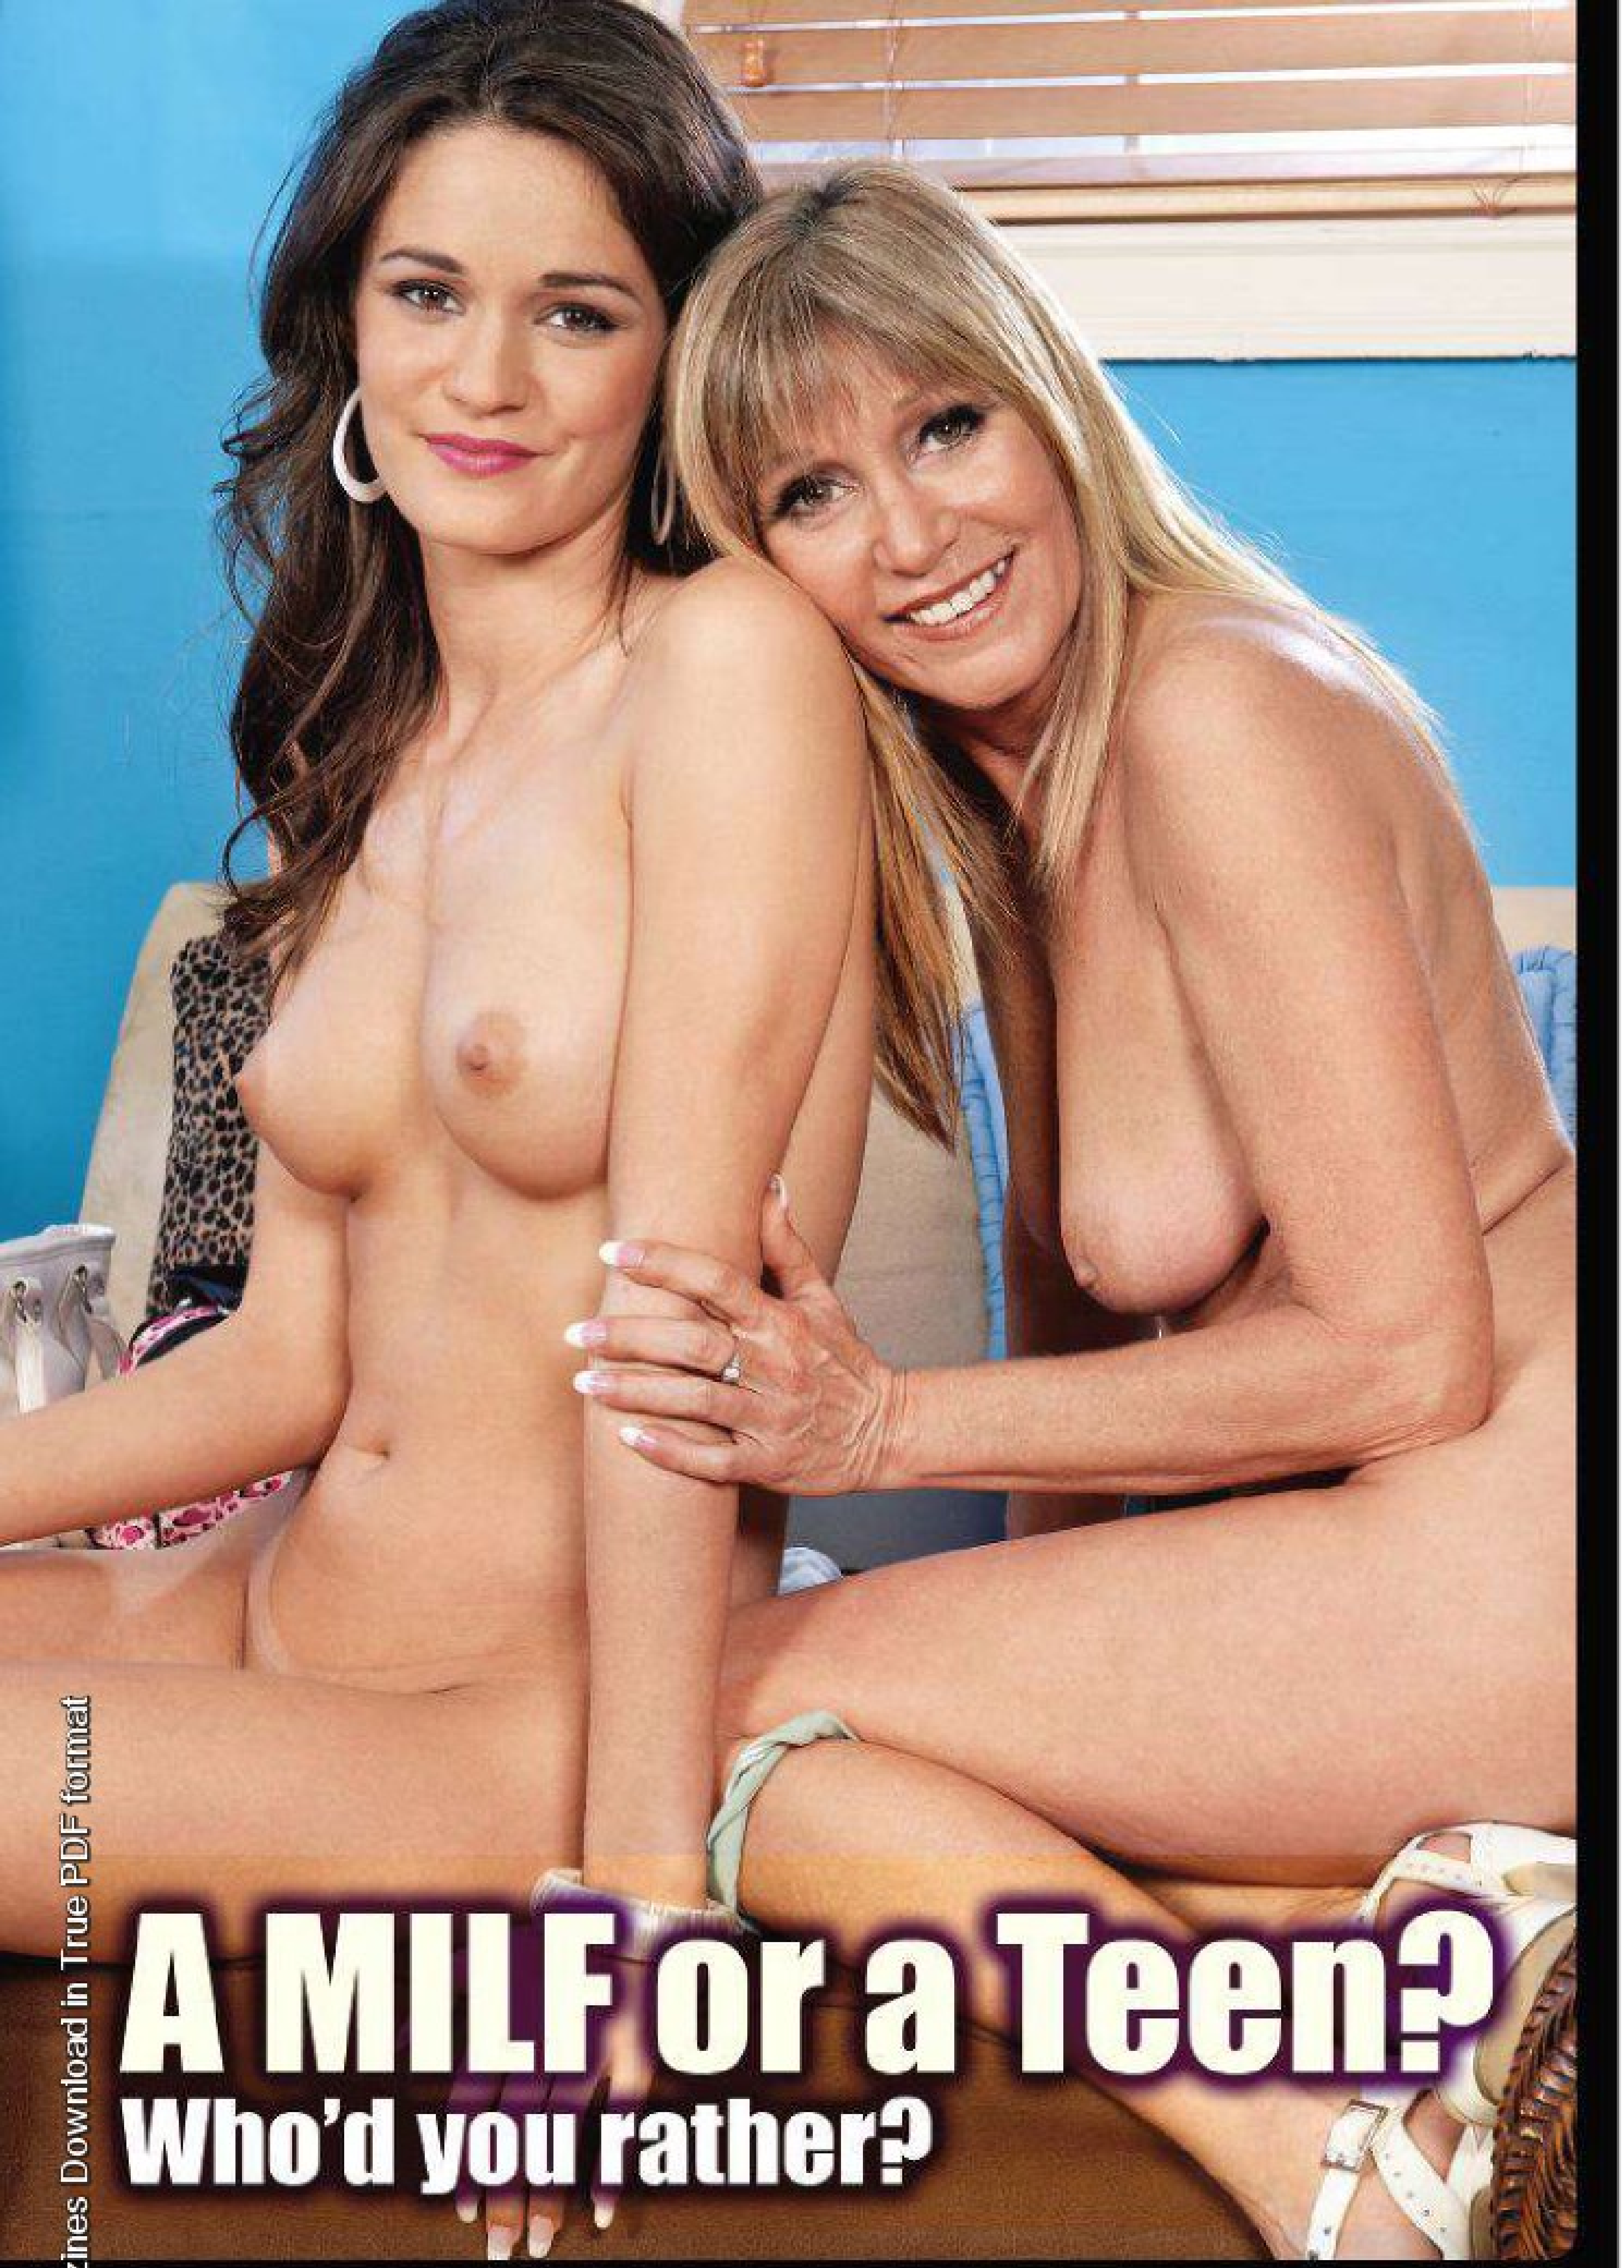
PARTY TIME IN LITTLE HAVANA



The party is now available on DVD–see page 93. It's also posted on naughtymag.com

The action was fast and furious, and when we saw one of our cameramen sucking on his bottle of water like he'd been in the desert for a week, we knew it was hot, too. The photos don't do it justice. Why not treat yourself and log on to our website, naughtymag.com, to see the whole event. Or, better still, treat yourself to the movie. See page 93 to order it. Miami is known for its wild nightlife, but we think this party probably beats 99.9 percent of it. Can you imagine a party like this in North Dakota?





A MILF or a Teen?

Who'd you rather?

The debate is raging across the country and, very likely, around the world, wherever groups of guys are getting together and their talk turns to sex…and getting some.

Here at The SCORE Group, we're in the middle of things. This mag spawned *30Something* which became *40Something* because of the popularity of older babes–cougars, MILFS and even GILFs. Now, *40Something* has spawned the occasional *50Something,* and lunchroom talk is of an issue of *60Something* coming in the near future. Some staffers love the idea and some visibly cringe.

Perhaps this is one of those issues that can never be decided; like that between the guys who go ga-ga for 44DDD tits made of silicone and regard babes with cute, little 34A titties as being almost non-sexual, and those who regard the big-titted gals as being freaks and small-titted girls as being goddesses.

But we thought we'd give it a try. So we got input from a staunch supporter from either side of the debate. Both are pussy-seeking single guys who (we think) fancy themselves as being like Barney from *How I Met Your Mother* and Charlie from *Two And A Half Men.* (They both fail miserably at that!)

For the MILF aspect, both guys agreed that they'd be referring to MILFs who were divorced or widowed, and not those out seeking extra-marital sex.

The photos are of a real-life mom and daughter. They were introduced in our October '10 issue. Monika is 19 and Jessica is 53. Check them out, then answer honestly…Who'd you rather?

POINT

A teen is a better fuck than a MILF

By Christopher James

When I was 30, I dated an 18-year-old girl. She was tall, thin and blonde with nice, firm B-cup tits. Perfect skin; the kind you can only find on a young girl. An absolute goddess.

Anyway, one night when I picked her up, I gave her a bottle of wine I'd paid four bucks for at my local supermarket. You should have seen the expression on her face.

"Oh, my God," she said. "It's so great. It's got a cork!"

I knew right then and there that I'd be getting pussy that night. And I did. That 18-year-old girl did me better than any older woman I'd ever been with.

That's one reason teenage girls are better than MILFs: teens just don't know any better. MILFs know far too much. Or think they know too much.

Teenage girls are easier to please than MILFs. They're so inexperienced they think you're a god if you can make them cum with your tongue. They're used to a guy from the high school football team banging the shit out of them for 30 seconds in the back seat of his mom's Lexus, just so he can get his rocks off and brag about it to the rest of the team. So if you fuck them for two or three minutes before cumming, it completely blows them away: you're an absolute fucking stud as far as they're concerned!

And, to be perfectly blunt, experienced MILF pussy is stretched out, used pussy. Face facts: some kid's head has passed through her love canal. No way it can still be tight.

But 18-year-old pussy is the tightest and juiciest that you'll ever sink your cock into. It doesn't smell musky like MILF pussy. It smells like honeydew vine water and it tasted sweet.

And, because they're so inexperienced, young girls will try just about anything you ask. They're adventurous. They want to be wordly. They want to have grown-up sex.

Like having sex in public? MILFs want big, fluffy beds in expensive hotels. They've been through their adventurous stages, and you missed it. But young girls are daring. They'll ride your cock in the back of a crowded movie theatre. They'll let you do them in the changing room at a store, just to do something risky. Just to have something to tell their friends.

Then there's aesthetics. A teen's ass is firm. It doesn't have cellulite. Her nipples

HILLARY LONDON, ENGLAND **AGE 20**

BUSH BABY

Meet another *Bush Baby* who comes from across the pond. But it doesn't bother us if it doesn't bother you guys. Hillary's birthday is January 5. She is 5'6", weighs 135 pounds, wears 34A bras and likes sexy panties. This movie theater cashier was talked into posing by her new bloke who buys *NN* regularly and happens to be a photographer for one of London's biggest newspapers, so he knows how to handle a camera. "It wasn't until we were talking in bed one night after a great shag session that my bloke told me he was a *NN* fan," said Hillary. "He showed me some issues (they were the first porn mags I'd ever looked at) and finally convinced me that there are lots of guys who are nuts about girls with pubes. So here I am…for your pleasure."

"My bloke has the best tongue that's ever touched my clit," said Hillary. "And he absolutely loves giving me oral, so sometimes I have two or three orgasms before we start shagging. If I'm that sexed up, I might have two or even three more orgasms before we're both done. I know I'm a really lucky girl. I'll do most anything he wants after my first orgasms, so he likes shagging me in all sorts of weird positions that he finds online. We haven't tried one yet that I didn't enjoy. I don't just shag in a bed. We've done it all over his flat and mine, in the loos (bathrooms) at some pubs, in the backseat of his car and even in Hyde Park; anywhere he can lift my skirt and get his dick in me."

BJs: I swallow **Diddle:** Of course

"I go to Miami at least twice a year to shop and have fun," said Sophia. "But my boyfriend is always busy and hasn't been able to go with me yet. On my last trip, I got him some porn magazines as a special treat. (He reads and speaks English just as good as I do.) One of the mags was *NN,* and as soon as we read that girls could send their photos in to be in it, I decided to do it. I always dress sexy so that guys look at me, and I love to flirt with them, too. My boyfriend just sits back and smiles. Now I can show off my body to guys all over the world and think about them having mental sex with me."

Sex with Sophia

"I need to cum from being licked before we have sex. Then I like to be on top and cum again before he has me from behind so he can go from my pussy into my rear. I love to feel him cumming inside me."

New Orleans, Louisiana
Age 48

Cougarlicious

Becca was born in Okinawa, Japan. Her birthday is January 21. She is 5'4", weighs 125 pounds, wears 34C bras and thongs or boy shorts. This divorcee is eager to do a porn movie or two, and she started out by having the young guy who had just fucked her take these photos. "We'd been going at it all night after we'd met in a bar the night before," said Becca. "The guy–23– had great staying power and he got me off over and over again. We finished up with him drilling my butt, then dozed a bit before I got up and made him breakfast. He'd really earned it! It didn't bother him a bit when I asked him to take the photos. I'm delighted that they came out so well."

"The young guy I was just talking about told me I was the first female he'd fucked who had pubic hair," Becca said. "He seemed to enjoy it when he was down there licking me out. I've never been bare down there and I have no intention of ever shaving my pubes off. I do maintenance down there regularly so things don't get too messy, but that's it. I think that shaved pussies are just a trend and, before long, even young girls will be showing off their pubes rather than being bare which doesn't even look sexy, as far as I'm concerned. In the meantime, I'll continue to show the young guys that I fuck what a pussy is supposed to look like."

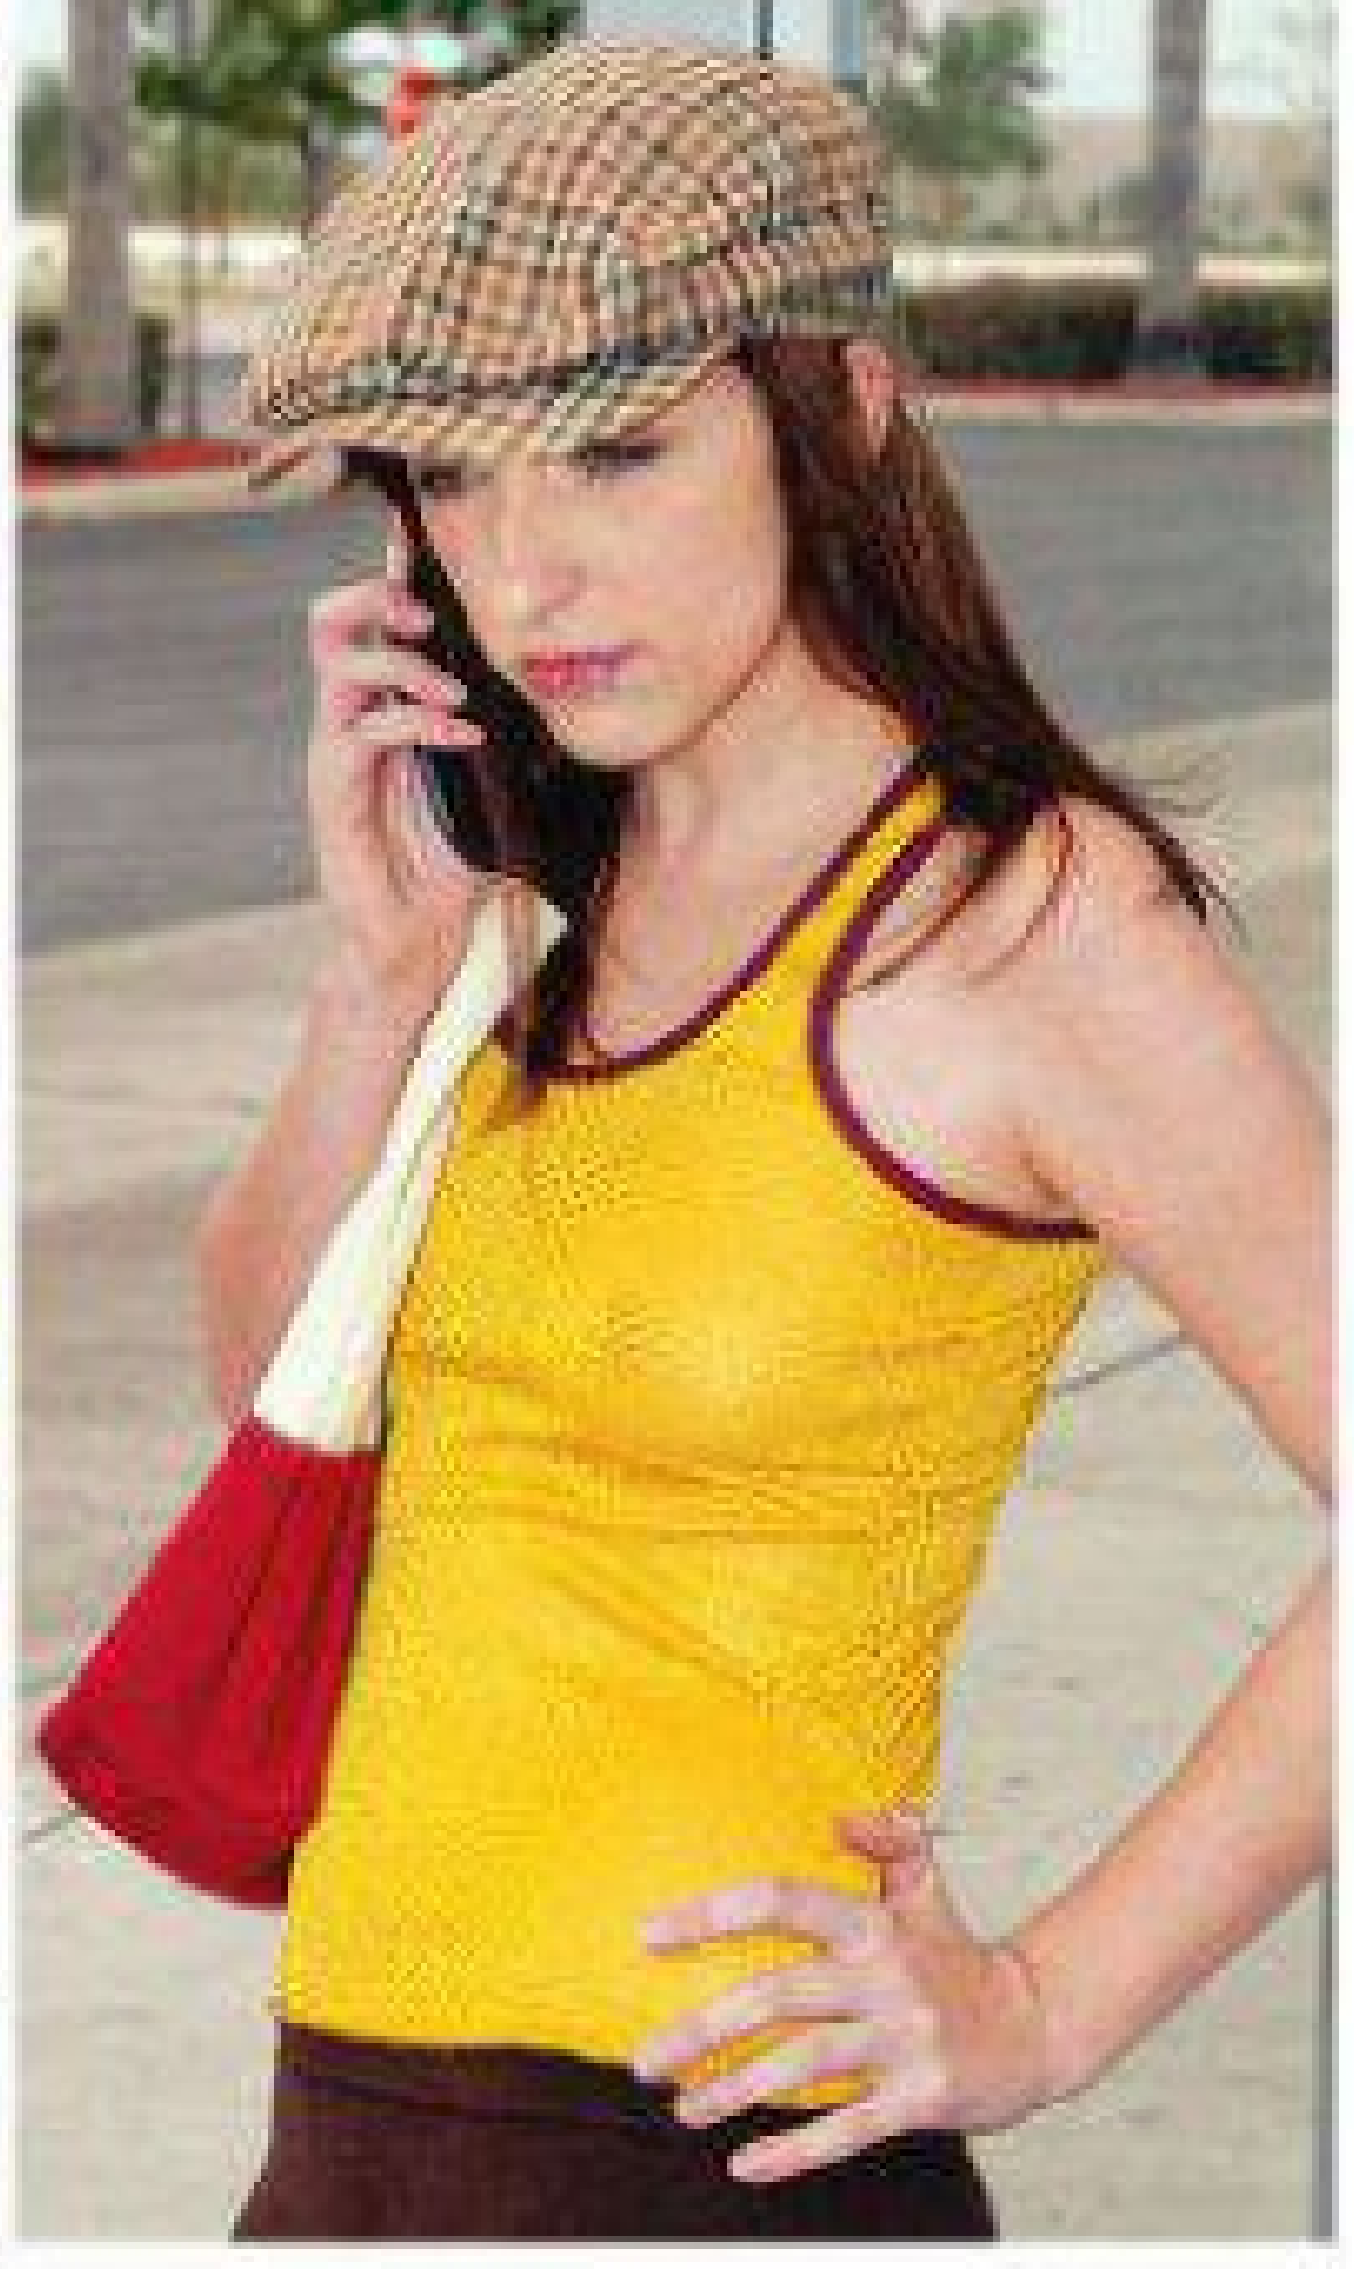
BJs: Like doing it, but spit **Diddle:** Yep



"I wanted to do something different for my *NN* photos, so my guy and I went out in the minivan that his mom passed on to him and played hooker and john," said Sara. "After he'd successfully picked me up, we drove to a mall parking lot to take the photos. It was early on a Sunday morning, and the only people around seemed to be security guards in golf carts. A couple of them came kinda close when I was naked, but I don't know if they saw anything. My guy did me doggie-style on the back seat when we were done. That was the most exciting fuck I've ever had."

Sara's big pussy lips

"They're really sensitive and I love having them sucked and pulled on. I think I could cum just from that if my guy did it for long enough. He likes to see them wrapped around his dick when he's fucking me."

Attention: male roommates

On a one-night stand, give the girl a fake name. That way, if she starts screaming your name during sex, your roommates will be wondering, "Who's Nigel, and why is he getting laid in our place?"

What's the difference?

In order to look better, my girlfriend is quite happy to use products that resemble cum, like creamy bath foam, creamy coconut shampoo and creamy vanilla wash. She rubs them all over her body.

But when I want to pull out and cum on her tits and face, I'm a disgusting fuckin' asshole and she's never having sex with me again.

Questions, questions...

An Arab boy asks his father, "What do you call the weird hat that you and I are wearing?"

"It's a chechia. In the desert, it protects our heads from the sun."

"And what are we wearing?"

"It's a djbellah. It's very hot in the desert, and it protects our bodies."

"What about these ugly shoes?"

"These are babouches. They keep us from burning our feet in the desert."

"So, tell me, Papa..."

"Yes, my son?"

"Why are we wearing this shit when we live in Detroit?"

Girlfriend

I'm fed up with people saying that guys who play *Call of Duty* a lot don't have girlfriends. I play the game and I have an amazing girlfriend. Her name is Kill3rCh1ck. We've never met, but she has a great kill/death ratio!

Early night?

I went to see a fortune teller last week. She studied my hand and said, "You have been masturbating a lot."

I said, "Wow, you are good. Can you tell me anything about my future?"

She looked at my face, frowned and said, "You'll be doing it for a long time."

Quickies

- I expected my wife to be furious when she caught me fucking a blow-up doll. But she just made me inflate it till it was fatter than her.
- I walked up to a girl in a club last night and said, "Idiotic, fat penguin!"

"Ohh," she said, "I get it. Something to break the ice..." She started giggling.

"No!" I replied. "You look like an idiotic, fat penguin!"

- A guy went to see his doctor and said, "Doc, I suffer from premature ejaculation. Can you help me?"

"No, I can't, sorry," said the doctor. "But I can introduce you to a woman with a very short attention span."

- I'm the kind of guy who stops the microwave at one second just to feel like a bomb disposal expert.
- I was talking to a girl in a bar and she told me she's a vegetarian. After the quizzical look I gave her, she said, "I know what you're thinking...you want to know why, don't you?"

"Definitely!" I replied. "How the fuck did you get so fat?"

- I was in my local bar when a sexy blonde came up next to me. She sniffed the air, looked at me, smiled and said, "Mmmm, what have you got on?"

"I've got a hard-on," I said, "but I didn't know that anyone could smell it!"

- My girlfriend asked me why there are no female secret societies. I carefully explained to her that the members would be too easy to identify by the duct tape over their mouths.
- I tried to convince my wife that the shaved look would make her look sexier. But she just punched me and said she doesn't have a moustache.
- After the condom broke, I took my girlfriend to the drug store for a morning after pill. I parked in a spot designated for "Expectant Mothers."

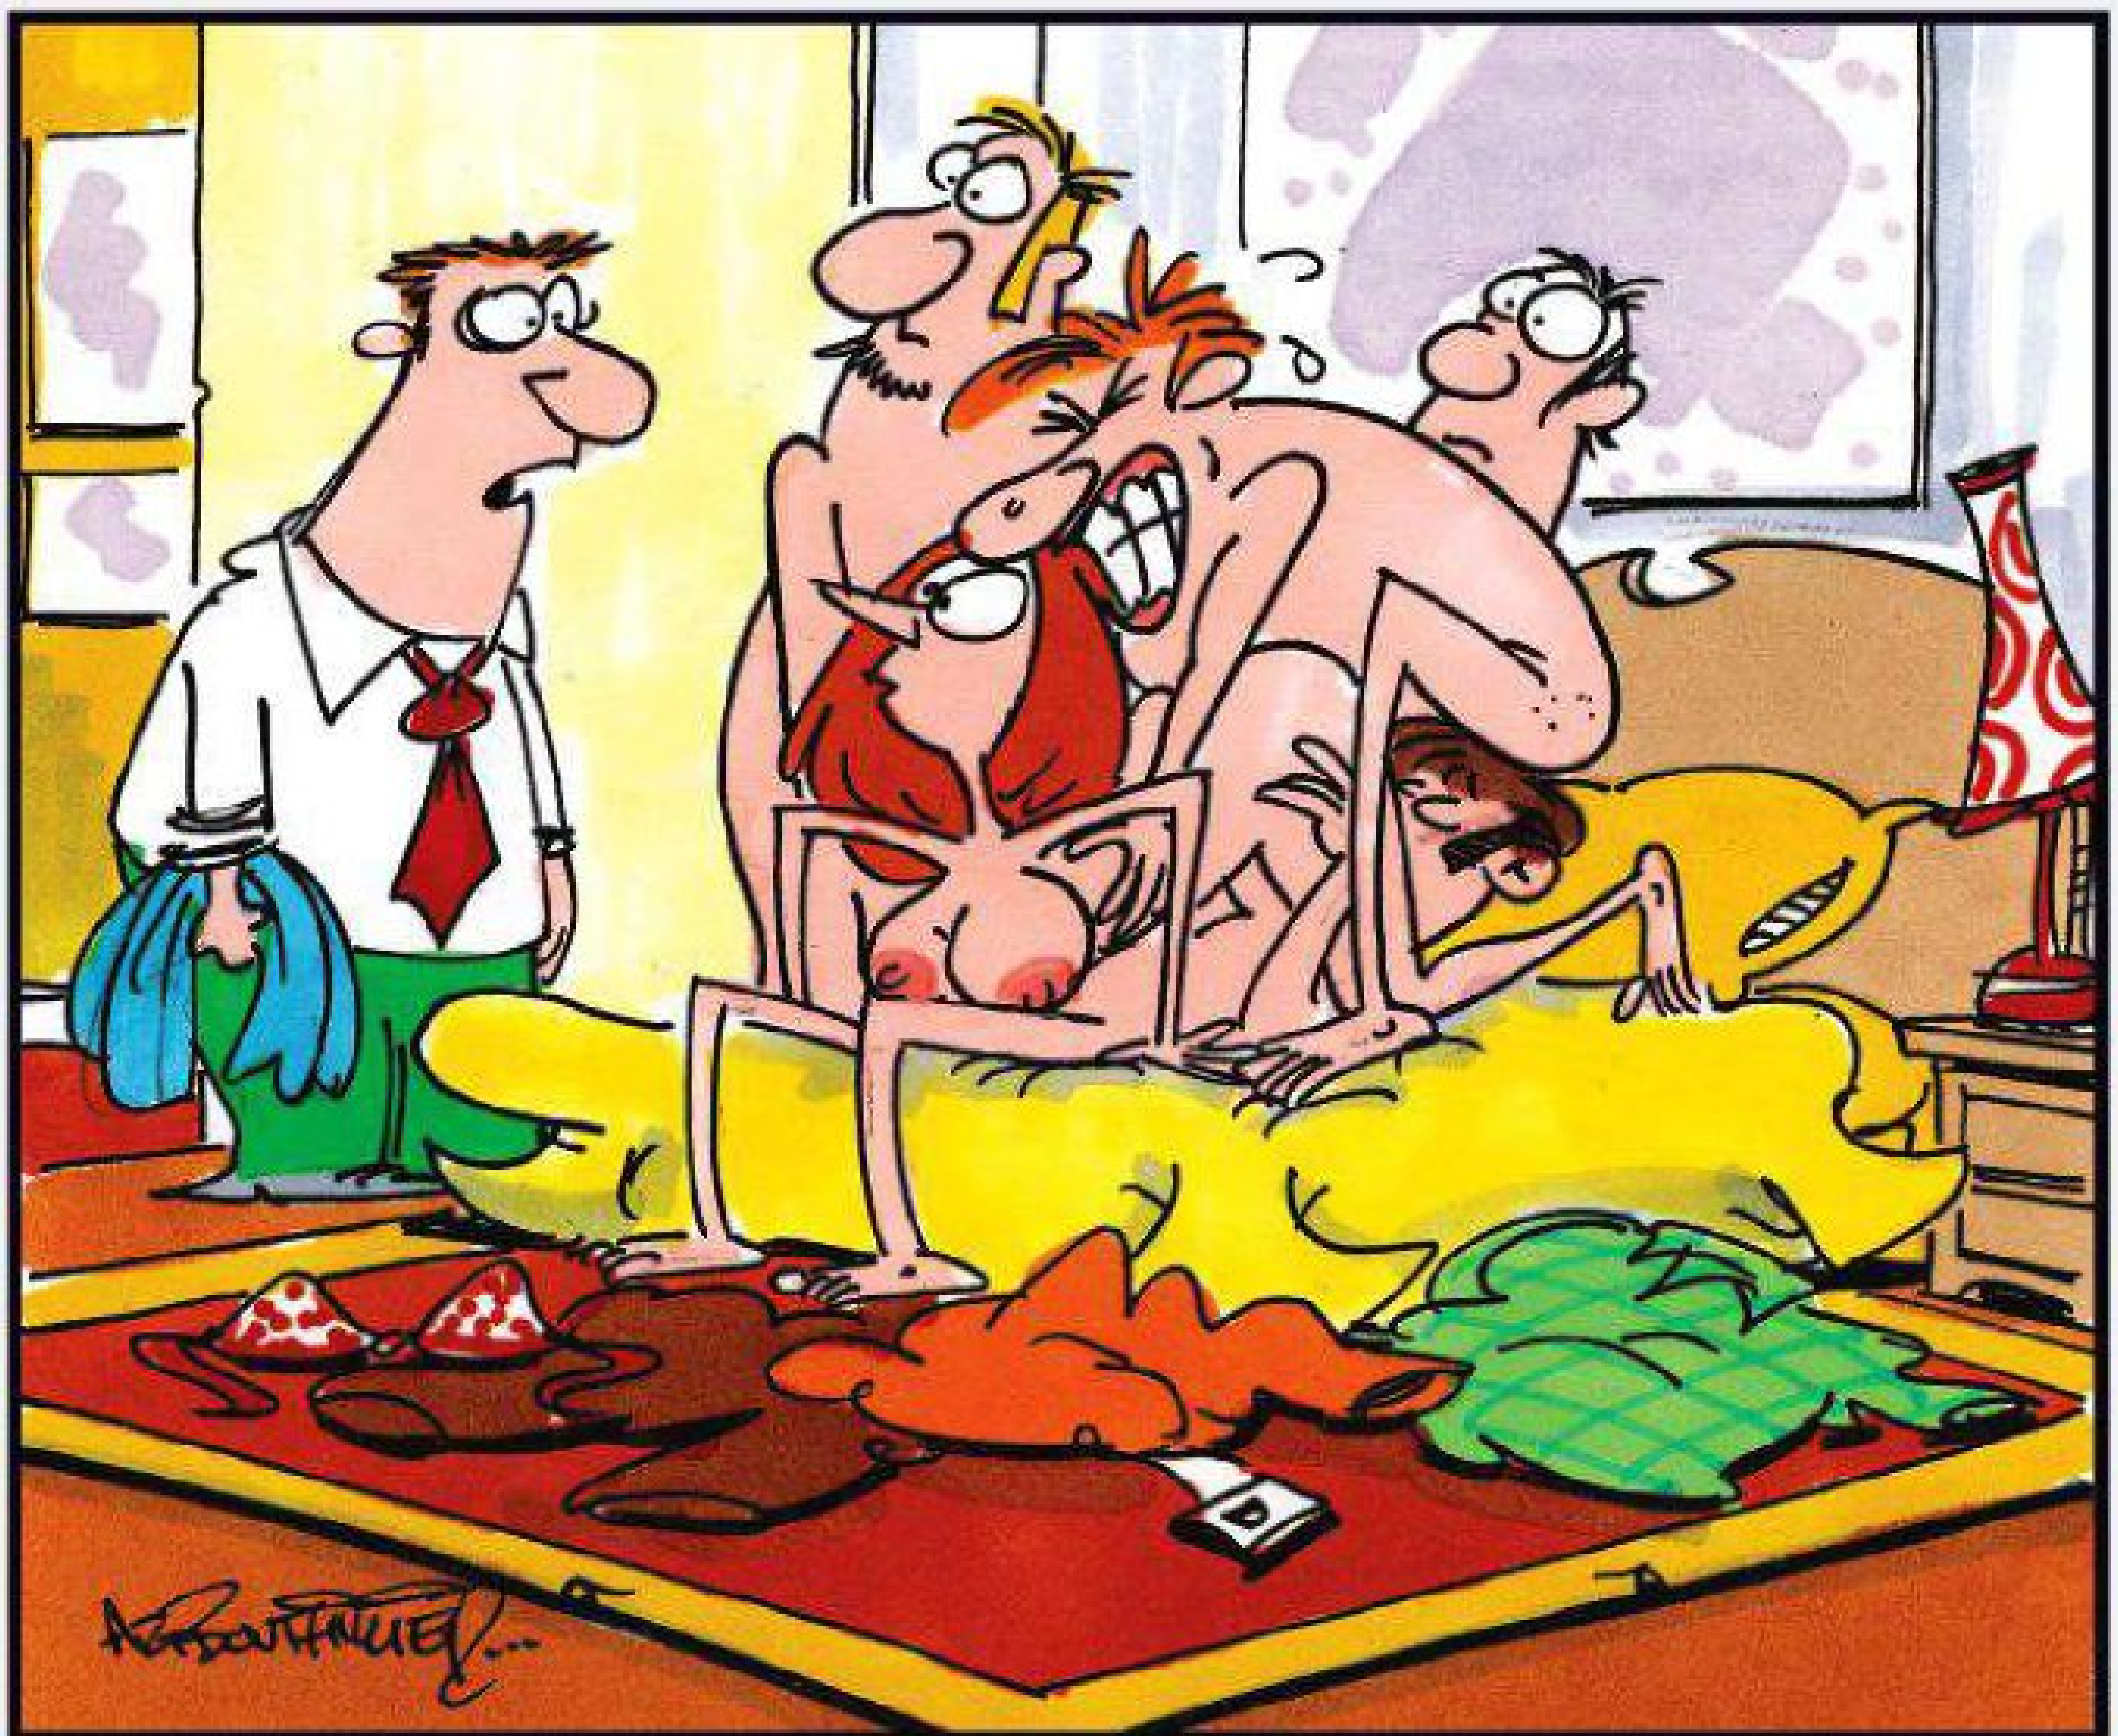
I thought it was fucking hilarious...she started to cry.

- A cop stopped me last night as I was driving through our local red-light area.

"Looking for a good time, are we sir?" he asked me.

I said, "Why? How much do you charge?"

- At my mother-in-law's funeral, my wife called me an inhuman bastard. Well, I think she did. I really couldn't hear her over my iPod.
- My credit card company called. They want me to leave home without it.
- You know you've played too much *Halo*, when you start singing *One Final Effort* on the toilet. NN



"This isn't what I meant when I said I wanted a slut in the bedroom, Stella."

Panties: Lacy **Anal:** Not ready to try it
BJs: Spit **Diddle:** Sometimes

"My brother is about 10 years older than me, and I'm dating his best friend who's the same age," Linda said. "We've known each other since, like, forever. Lucky for us–I think–my brother lives in Texas now and doesn't know about us yet. I'll tell him one day. I hope he doesn't read *NN* or he'll find out in a way that'll shock him. My boyfriend says I'm an 'in-your-face' girl. I'm not really sure what he means by that, but if it means that I love it when guys check me out and talk to me, then he's right. That's why I want to be in *NN:* to show my bod to guys everywhere."

Linda's favorite fuck

"I like slow, cuddly sex with lots of kissing and fondling. After my guy gets me off by licking my clit, it takes me ages to cum again during sex and I only ever have one more orgasm. But it's a goodie."

"I have never felt more sexy than while I was posing for these photos," said Linda. "It felt so dirty to be spreading my pussy and fingering myself, but I knew I was doing a good job of it because my boyfriend, who was naked, too, soon got a hard-on and couldn't help but stroke it while he was taking the photos. By the time he said he had enough photos, I was ready for sex. I have never, ever wanted a cock inside me more than I did then! I came the quickest I ever have when he pushed his dick inside me."

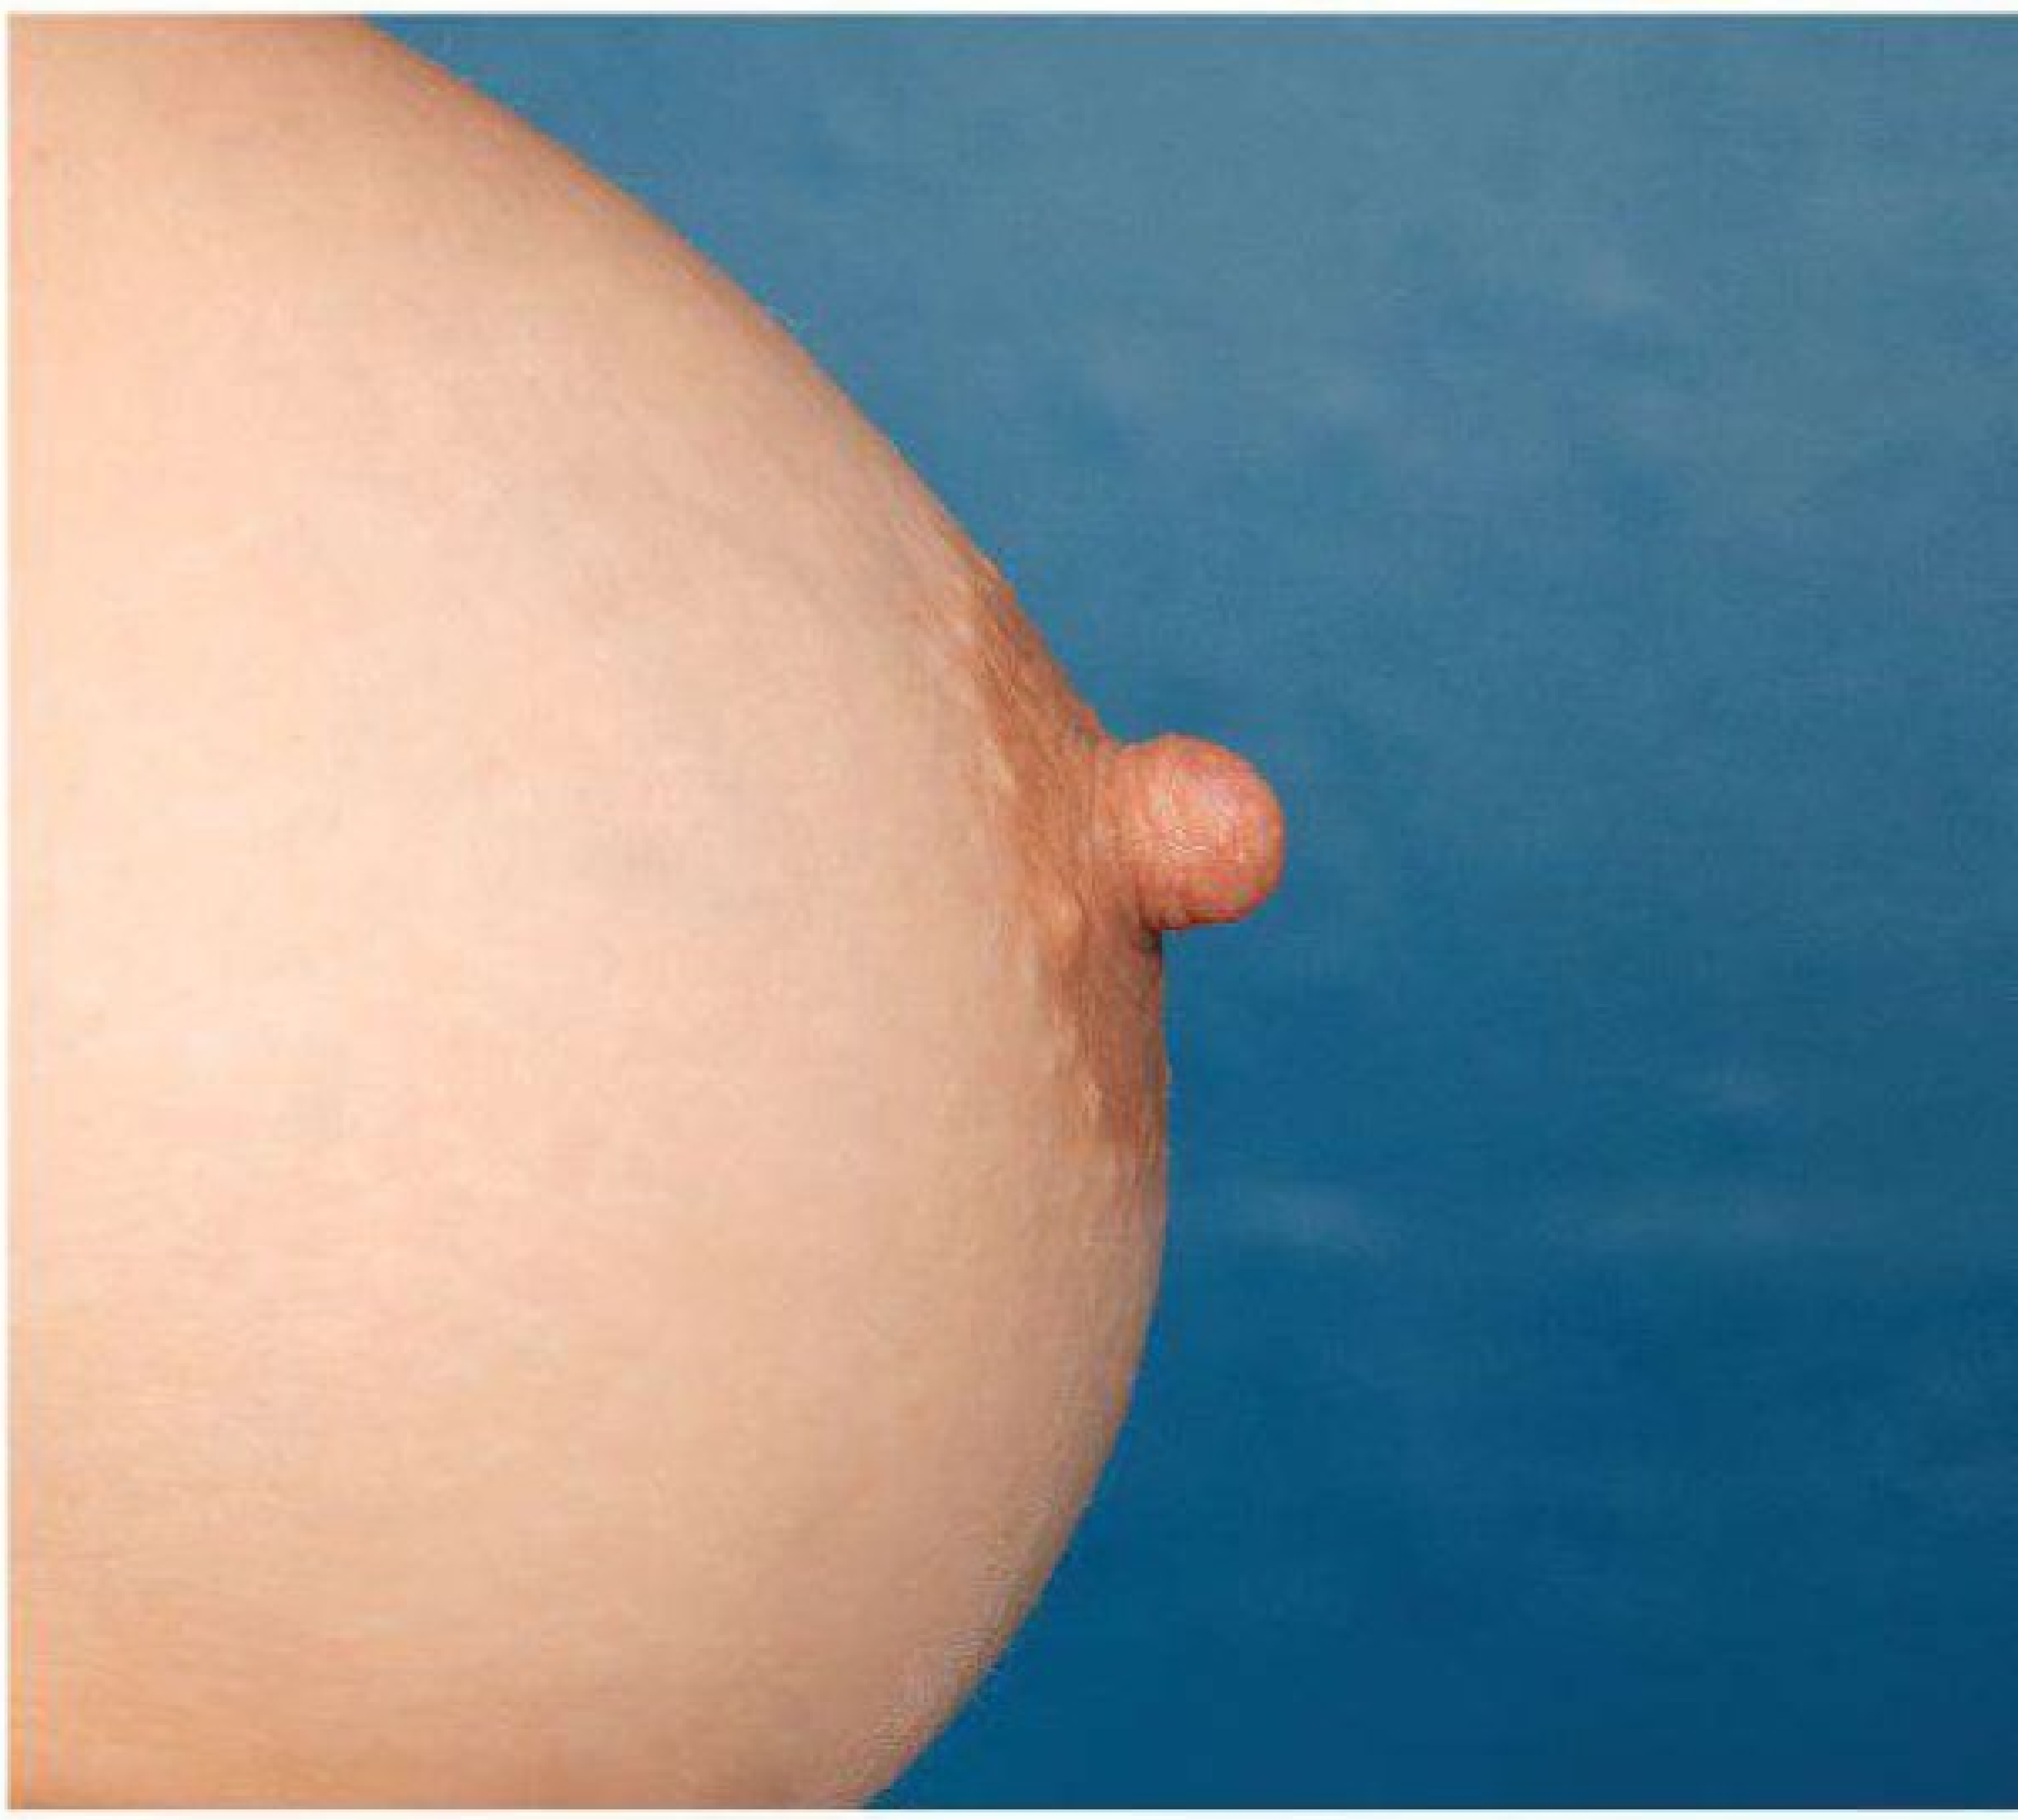
Ht: 5'1" **Wt:** 109 lbs. **Bras:** 32D
Panties: Victoria's Secret **Anal:** Yes
BJs: I swallow **Diddle:** In the shower



"I'm too busy with my job–which I love–to have time for a boyfriend, but I have a couple of fuck buddies so I can always get sex when I want it," said Juelz. Sometimes that's only once every couple of weeks, and sometimes it's every night for a week or so. I'm very unpredictable like that. I don't want to have just one fuck then say goodnight; I like lots of oral sex–giving and receiving–and three or four good fucks–including anal–to keep me satisfied. If I find it kinda hard to walk normally the next day, then it was a great night of sex."

When Juelz cums

"I'm wild when I cum. I moan and groan and talk dirty and I bite or scratch, too. And I certainly don't keep still. Guys say they find it very hard to stay inside me...but afterwards they always want me again."

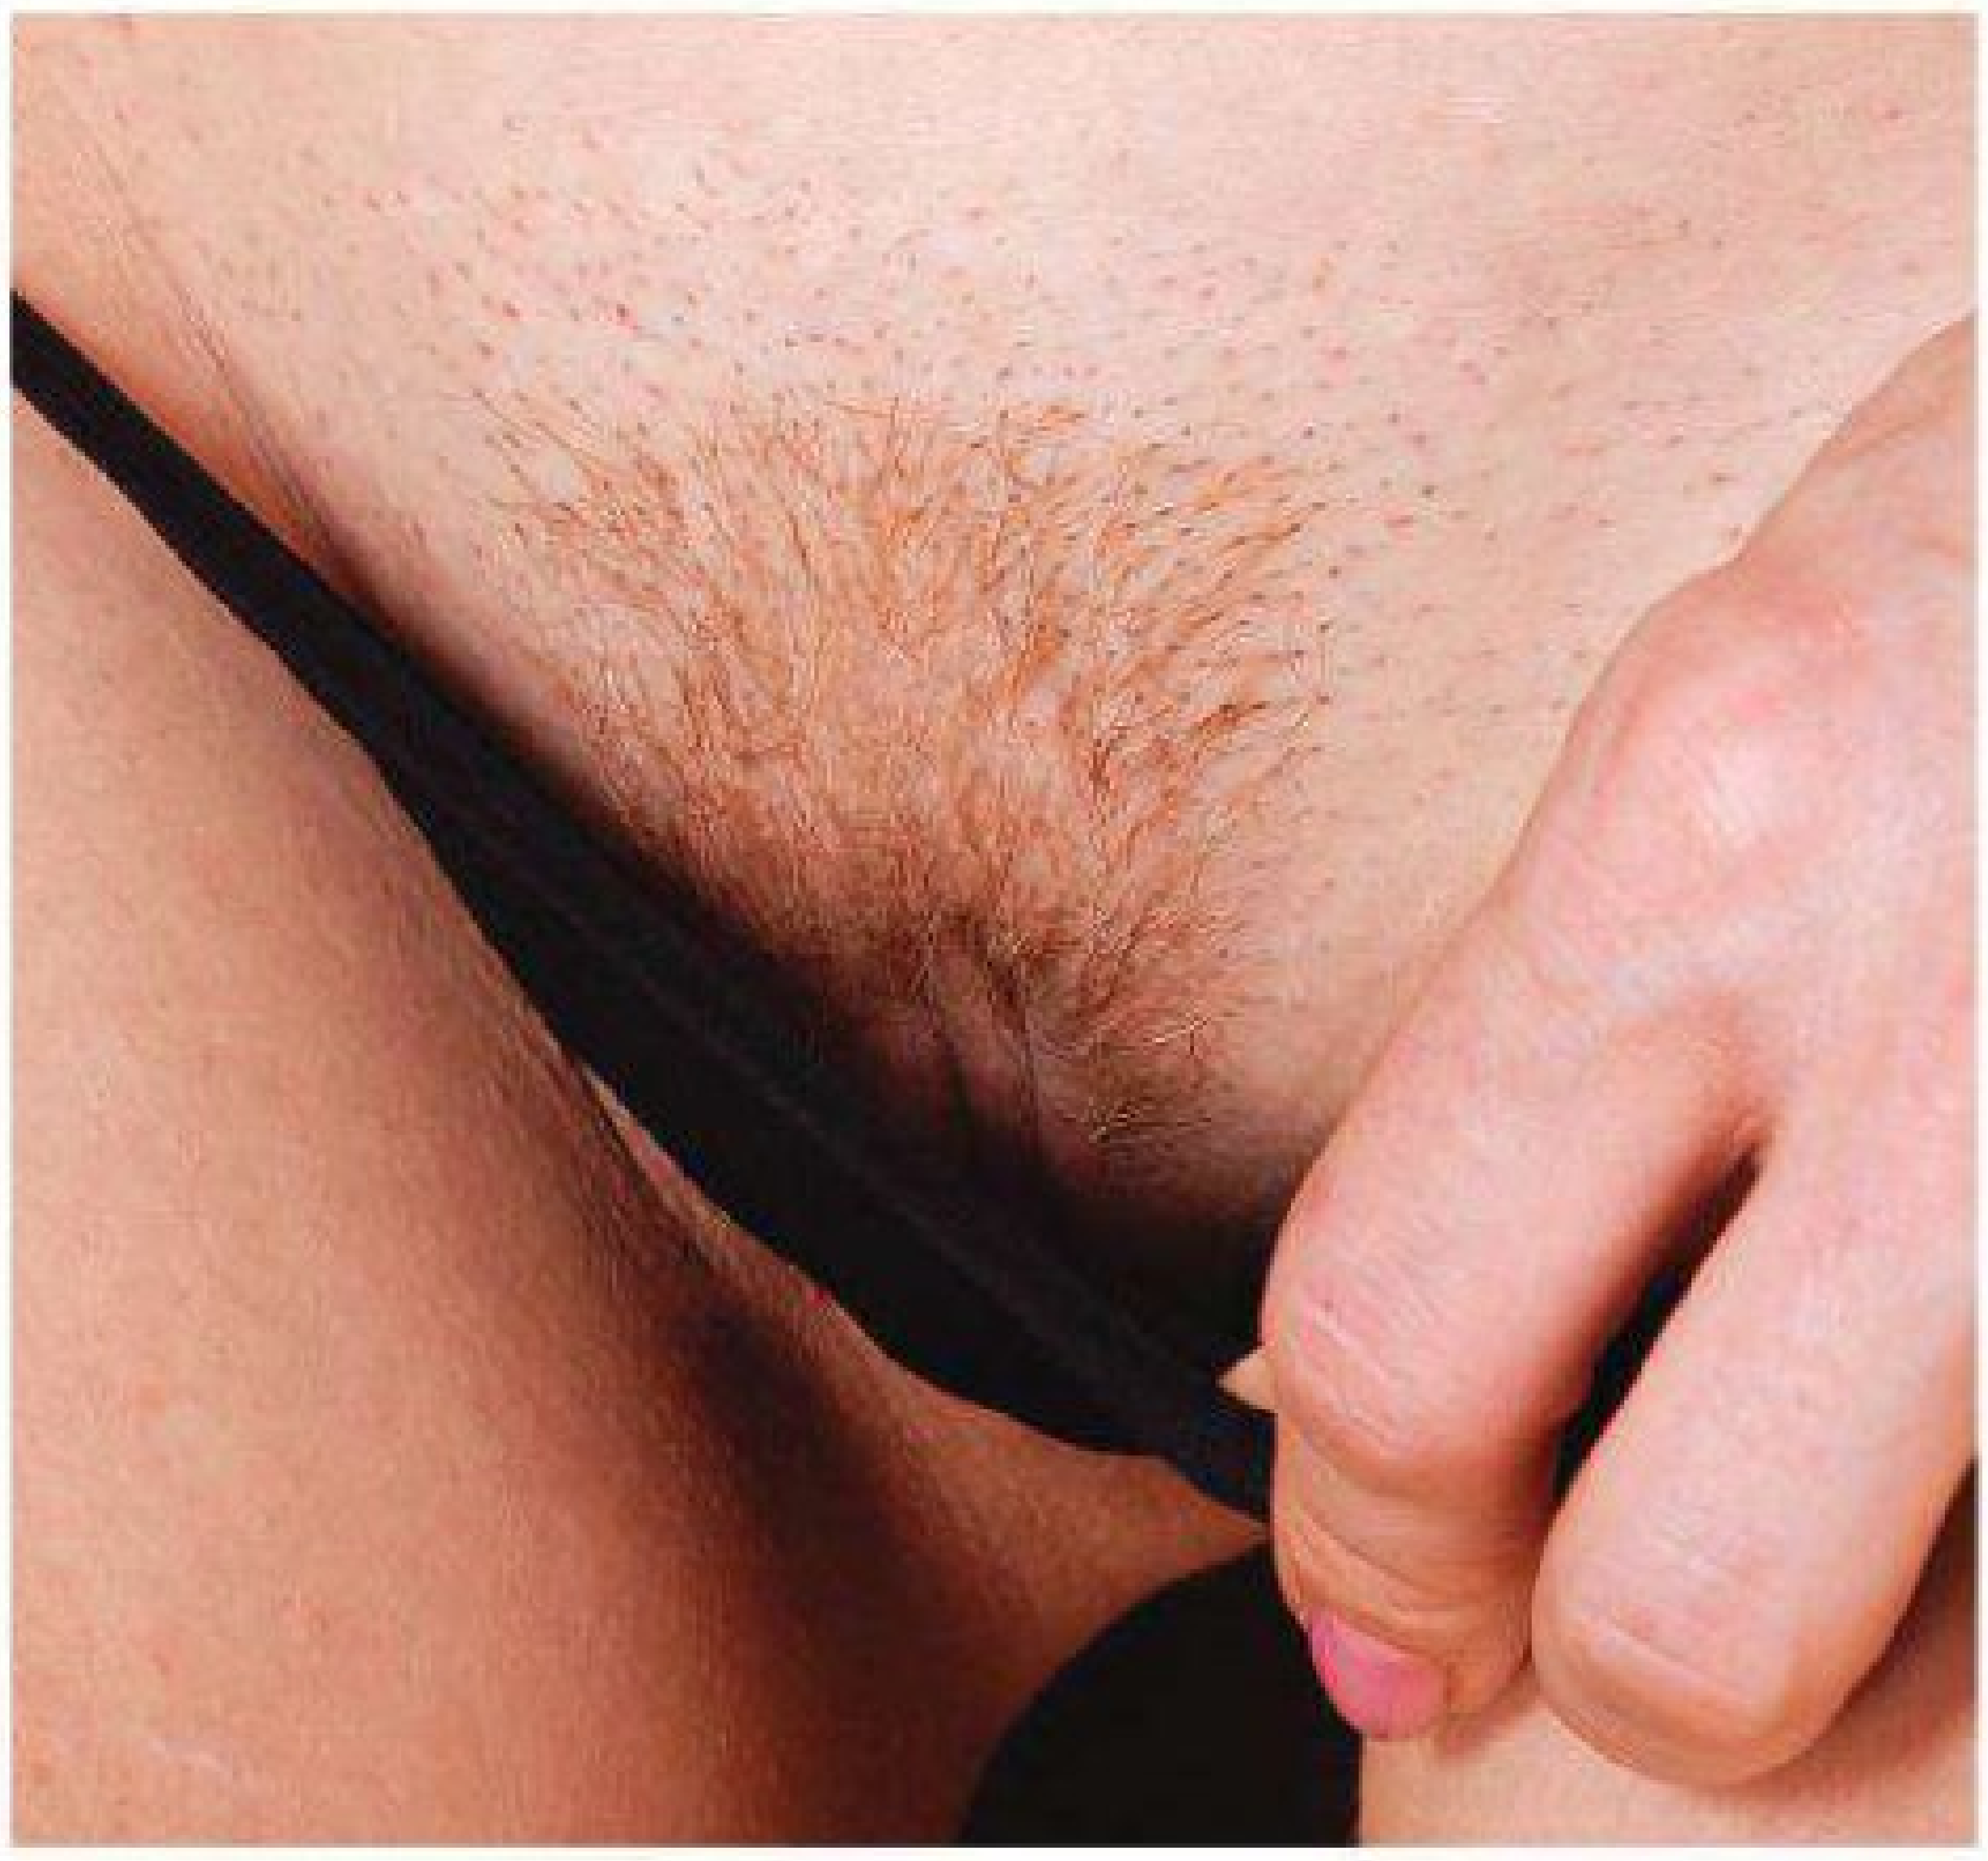
Ht: 5’4” **Wt:** 127 lbs. **Bras:** 34D
Panties: Thongs **Anal:** Yes!
BJs: Always swallow **Diddle:** Not much



“I dated a guy for over a year,” said Angela. “He’s the one who took these photos which I always intended to send in to *NN*. “He was getting divorced, but when things started to get messy for him, he up and took off for parts unknown without telling anyone. So, I’m back in the dating pool. I hate all the bullshit associated with dating, especially when all I really want is to get laid. Luckily, I have a couple of single friends to go to bars and clubs with, and they’re teaching me about today’s single scene. I’m probably too young to be called a cougar, but I’m going for younger guys.”

Angela's "Twofers"

"It can't be beaten! Do me any way you want and, after I've cum, pull out of my pussy, get behind me and do my butt. Start off slowly, then do me hard and I'll probably cum again before you fill me with jizz."

MILF or Teen

continued from page 32

not only have the pink, puffy hue of virginity, they're more sensitive because they haven't had hungry babies chowing down on them.

With a MILF, you're not only fucking her, you're also fucking every guy who's dipped his cock into her pussy before you –and, like it or not, you're being mentally compared to each of them as far as your cock size, imagination, agility and staying power is concerned. Who needs all that shit to worry about?

With a teen girl, you can fuck her, cuddle for five minutes and then take her home. She won't expect to stay the night at your place or want to make long-term plans like a MILF would.

Because, like I said earlier, teenage girls expect less of you than a MILF does. They're just not as demanding. And, remember, when you're fucking a MILF, you have to worry about one of her kids walking in on the two of you.

That can't happen when you're fucking the teenage daughter.

COUNTERPOINT

A MILF is a better fuck than a teen

By Dan Ross

If you like a blow job in which the girl takes only the tip of your cock in her mouth…if you're into inhibitions and the girl constantly worrying about what her friends will think…if you're content with doing all the work in bed…then have a good time. Fucking a teenage girl is perfect for you.

But if you want a woman who will swallow your dick and try to lick your nuts at the same time…if you're into completely uninhibited behavior and the woman caring about nothing but getting you off and herself off…if you want a woman who will hop on top of your cock and ride it till dawn…then you'll have the time of your life with a horny MILF.

There are many reasons why mature women are better fucks than teenage girls. They're better in bed because they have more experience. They know what they want. They've honed their sexual techniques, and they'll do anything to satisfy you. And there's something especially sexy about an older woman who's kept her face and body in shape.

But this piece is about teen girls vs. MILFs. Mothers I'd Like to Fuck. The MILF factor takes this argument to a whole other level.

There are several psychological reasons that some guys, including myself, like MILFs. I know it's weird to say this, but it's very hot to think you're fucking somebody's mother. Maybe this goes back to our adolescent years when we'd say to a playground rival, "Your mother!" But I do know that several months ago, I was in a strip club, enjoying a lap dance from a gal who had to be in her 40s. Now, I was having a great time, but when she told me she had a 17-year-old son, I popped wood like never before. I can't explain it. I just know it happened.

Plus, there's this idea: mothers are supposed to know better. They're supposed to be all about teaching us morals and doing the right thing. Mother = Angel. Or so society leads us to believe.

Because when some MILF is slobbering all over your cock and forcing your fingers up her hot, wet pussy, you know she's not being angelic. Because when she is on all fours and begging–*begging* –you to stick your dick in her ass and give her all you've got, you know she's not being angelic. She seems to be going against what society expects her to do. If her kids saw the way she was acting, they'd freak. Poor, uninitiated fools think that older women don't go out of control when they fuck. But us lucky guys who have been there know that they do!

On a more tangible level, a MILF tries harder in bed because she's afraid of being thought of as being over the hill. Perhaps she's afraid that you're going to check out her teenage daughter. Perhaps, on a more Oedipal level, she's jealous that her teenage son is starting to date girls and will soon be handling, licking and fucking pussies. So she sucks a little harder; her hips grind a little faster; she talks a lot dirtier.

Listen. I don't need a girl who's going to be impressed enough to fuck me just because the bottle of wine we shared doesn't have a screw-off cap. Because I know the cliche is true: women, like wine, get better with age

If you want to let your fantasy run wild, imagine a threesome with these two hotties, however wrong it would be.

So, on first impression, who looks more sexy, Jessica who's 53 or Monica who's 19?

Jessica knows what a great fuck is all about.

THE CONCLUSION

Is it just about personal tastes?

By other SCORE Group staffers

Christopher and Dan both make good points, but both of them left things–major things out.

A single guy of, say, 34, has little chance of hooking up with a teen girl to bed unless he's lucky enough to be working with her. What are the other options? Talk to her at the movies? In a mall? In a park? Online? Not in today's society. Then, once some initial contact has been made, he has to get past her friends, her texting and Facebooking and other crap in order to "connect" with her.

But he can probably go to a bar or club with his buddies for company and moral support and take his pick from a veritable smorgasbord of MILFs and cougars who are there for the same reason as him...to get laid.

Christopher claims that teenage girls can just be fucked and dropped off; suggesting that they don't want commitment

Sexed by a Stud

Cece & Jarrod

Cece, 31, appeared solo in our August '08 issue. Now living in Chicago, Illinois, the furniture sales rep. is 5'7" weighs 130 pounds, wears 34B bras and likes small, cotton panties. "I did this as a treat for my boyfriend," said Cece. "He often said he'd like to watch me doing another guy, but then he has second thoughts about it almost right away. We didn't know each other back when I was in the mag the first time, but he likes to look at the photos now and then. Then, one day when I was flying home from somewhere, I got the idea of screwing a stud for *NN* so my man could get his wish and I'd have my biggest sex thrill so far."

"Having Jarrod pick me up outside my hotel like I was a tramp, there for the taking, was an exciting way to start the experience," said Cece. "My pussy was wet and tingling before he even started to undress me. Then finding out that we were going to screw out on a balcony where people might see us made it all even more special. I had my first orgasm about two minutes after we started screwing, then a second, bonus one just before Jarrod pulled out of me so he could cum. I really didn't want the session to end. I think I'd have taken on more studs if the cameraman had paraded them in. I've never been screwed by more than one guy at a time and I've certainly never had two guys at once, but now that I've broken my on-camera-fuck cherry, that's what I'm going to be working on doing next. But that will be with my guy behind closed doors, sorry. I think he'd go for it: I sure hope so."

"I like lots of oral sex before screwing," said Cece. I cum harder–and more than once–from having my pussy lips pulled while I'm getting my clit licked and sucked. I like the sucking more than the licking. Once I've cum that way, I'm happy to repay things by giving my man a long, sloppy blow job and he can cum in my mouth if he wants to. I always swallow his load. That means that we have to wait for him to 'reboot' as we call it before we can fuck, but that's okay. I don't have a favorite way to fuck. If I'm excited enough from cumming already, my cum-switch will be tripped and I'll cum any way as long as my pussy's filled."

MILF or Teen

continued from page 68

and the like. We strongly disagree! Teens are far more likely to be clingy and want relationships and reassurances and create scenes if they are summarily dropped after a couple of fuck sessions. But the majority of fuck-seeking MILFs live for the day–for the sex–and are most always just as happy as the guy to fuck and run, not seeking commitments of any kind.

Christopher's tight pussy vs. used pussy argument doesn't ring true. Every guy has probably fucked a young girl whose cunt was as loose as a wet shammy, and he's just as likely to have screwed an older woman who had a cunt like a vise that was reluctant to let go of the cock once it got plugged.

Then there's birth control. The majority of MILFs who are looking to get laid are almost certainly taking care of their own birth control–or are past needing it– which may mean that you get to ride bareback if you're lucky. Not so with doing a teenage girl unless you are just godamned stupid.

Monica is still a learner when it comes to fucking.

Yes, Dan, you are far more likely to end up in bed with a MILF who's on all fours, with a vibrator working in her cunt, spreading her ass cheeks apart and demanding you to butt-fuck her than you are to get the same from an 18-year-old. But licking and fondling an 18-year-old all over–from head to toe–is a lot more appealing than doing the same to a 50somthing MILF.

And Dan's psychological arguments and Oedipal comments (WTF?) make us want to go and take a shower.

So, perhaps this argument should be called a tie and lets put it all down to personal taste, as so many other things in life are all about. As one staffer put it.

"Perhaps if you have little self-confidence as far as your sexual skills and performance is concerned, a teen girl would be a better bed partner than a MILF. But how is a guy with little self-confidence going to get himself a teen in the first place? On the other hand, if you like spontaneity in your sex life, a MILF seems to be the way for you to go. But wouldn't a guy like that find it more adventurous and satisfying to go after a teenager?

Aaah…fuck it! We give up! Just go get laid guys and good luck to you, wherever your tastes lie. NN

So, gentlemen, now's the time. Who'd you rather?

"My guy was out of town when I went to his apartment to get some of my CDs," said Jewels. "There were photos of him and a girl screwing in his bed on his nightstand, and when I pressured him, his roommate said they were only about two weeks old. After crying for a bit, I decided to get my own back. So I seduced his roommate and, after we'd had great sex, I had him take these photos and left them on the nightstand, too. Now my new lover spends most nights with me. I'm sharing the photos for the money."

CONFESSIONS

I THOUGHT OUR FIRST VACATION WOULD BE RESTFUL

IT'S WHAT SHE WANTED

I'm an accountant. I had a great 2010, what with picking up a bunch of new clients and all, so I decided that my wife and I deserved a few days away at one of those resort hotels in Arizona.

Sandie, my wife is hard work. It's always about her, and I must admit it's probably my own fault as I always give in to her. I can't help it. Every time I look at her, I can't believe how lucky I am that she's my wife. Naturally, she had to go shopping, so she ended up with four, new bikinis for a five day vacation.

Go figure.

Sandie is also an exhibitionist. She loves herself and loves people watching her. The bigger her audience, the more she flaunts herself, so while I was catching rays, she was making sure that everyone around the pool was paying attention to what she was doing.

It didn't bother me, and I was pleased when she started talking to another woman–about her age–by the pool on our second morning there. The two of them got on like a house on fire and soon our bar tab was rapidly increasing as they ordered martinis non stop.

After the three of us had lunch together by the pool, I laid down to grab some more sun. It wasn't long before the two gals began to talk about sex which piqued my interest. I pretended to be dozing, but I was zoned in on their discussion. I was shocked when I heard Sandie confess to Cathie, the other woman, that she'd always wanted to make love to another woman. It's something we'd talk about while fucking, but we'd never spoken about acting upon it.

Cathy said it was something she'd always wondered about as well, but had also never acted upon it.

"I wonder what Kevin would feel about it, you know, if I found someone who was willing," Sandie said.

"Why don't you just ask him?" Cathy suggested quickly.

"Oh, I couldn't," Sandie replied. But I could hear the eagerness in her voice.

My cock began to throb at the very thought of seeing the two of them naked together. They began to whisper, and I couldn't make out much of what they were saying from then on, but I was sure it was about sex as their laughter was certainly wicked at times. I dozed off.

A while later, Sandie woke me. "Come on, babe, we have to get ready for dinner," she slurred.

As we got ready in the bathroom, Sandie began to chat about Cathy.

"That Cathy's really cute, isn't she?" she gushed.

"I guess," I said, noncommittal.

"I asked her to join us for dinner because she's here alone. She's only been divorced for a few months. You don't mind do you?" Sandie gushed on.

"No, not at all," I said, wondering if it would lead anywhere.

The three of us had a great dinner, talking and laughing about all sorts of things. Then dessert came and suddenly the girls were discussing a threesome. When I realized they were serious, it was like all my Christmases had come at once.

"Well, what do you think?" Sandie asked when Cathy went to the bathroom.

"Of what?" I tried to be cool.

"A threesome," she giggled.

"I don't know…"

"Come on, babe," she interrupted me. We'll never see her again, it's something we want to do, and I know you'd love to see a woman go down on me."

Sandie's hand had been on my thigh, and now she grabbed my dick.

"I can feel that you've made up your mind," she giggled

Before I could say anything else, Cathy returned. Sandie got the bill, and, the next thing I knew, we were in the elevator going up to our room and the girls were tongue kissing in front of me.

Once in our room, the girls wasted no time getting their clothes off, and as they fondled each other I ran my hands over both of them. As they kissed, I took the opportunity to admire their bodies; breasts against breasts, mound against mound, Sandie's with a small triangle of hair and Cathy's bald as an eagle. I kept fondling both of them but they ignored me. I didn't care: the night was long and I felt like the luckiest guy on earth.

Cathy pulled her legs apart and dove down, munching on my wife's gaping, wet cunt.

They stumbled to the bed and Sandie fell on her back. Cathy pulled her legs apart and dove down, munching on my wife's gaping, wet cunt while Sandie pulled at her own nipples. I sat on the bed next to her, stroking whatever I could reach while marveling at Cathy's technique: the way she brought Sandie to an orgasm quicker than I'd ever done.

Cathy maneuvered Sandie's body over so she now lay flat on the bed, her perky ass sticking up, and I watched fascinated as Cathy's tongue danced all over her back, down to the cleft of her arse and then between her cheeks.

Sandie was gripping the bed sheet, her moans muffled in the pillow as Cathy's finger stole its way into her puckered butthole. I figured it was time I joined the party, so I quickly stripped off. I knelt behind Cathy, fondling her tight ass cheeks and reaching around to finger her wet cunt and cup her breasts, my cock poking her butt cheeks.

"No. Not yet, Kevin" Cathy said as she moved to the top of the bed. "Roll over," she told Sandie.

She lowered her snatch over Sandie's

Confessions

face and I watched, cock in hand, as my wife's tongue stretched out to lick at her pussy lips. Sandie opened her legs wide, spreading them before me. I fingered her cunt. She was sopping wet. She grabbed Cathy's hips and dragged her down over her face while I eagerly speared her cunt with my cock.

Her legs came around my back to drag me in, and that gave me the opportunity to kiss and fondle Cathy. I've never felt so alive…so fucking horny…so fucking lucky!

It didn't take me long to cum, but after I did, I lay back to watch Cathy lick the spunk from my wife as they 69ed.

After the girls sucked my cock back to an erection, I fucked Cathy doggie style and got Sandie to lie beneath me so she could lick and suck my balls. It was the most amazing experience of my life!

Sandie reached up, took my cock out of Cathy's pussy and placed it against her butthole.

After a few moments of pounding Cathy's hot, tight cunt, she had a huge orgasm but I was yet to cum. I couldn't believe what was happening when Sandie reached up, took my cock out of Cathy's pussy and placed it against her butthole. Cathy pushed back against me and, within seconds I was balls-deep in her ass. It was my first-ever ass fuck so I didn't last very long–only till Cathy had another orgasm–but it was fucking amazing!

We didn't leave the room till lunchtime the next day. (Thank god for room service meals!) The girls couldn't get enough of each other, and I fucked both their pussies and their buttholes till I simply couldn't get hard again (Sandie had been a butthole virgin, too, before then.)

After lunch and a few hours by the pool to recuperate, we went back up to our room for more incredible sex. I lost count of the number of times I came. I couldn't believe my cock could still function, but having the two sex-hungry, naked women with me was like having dozens of Viagras.

Cathy had to check out the next morning, returning home to her high-pressure sales job in Phoenix. But we're gonna keep in touch and that's one luxury I'll allow Sandie to have again, even if it's only once a year as an early Christmas gift…for both of us.–Kevin, Las Vegas, Nevada. NN

Sexed by a Stud

Nikki & Magnum

Nikki, 25, is an office worker from Topeka, Kansas. She is 5'2" weighs 110 pounds, wears 34A bras and likes cotton panties. She appeared solo back in our October '08 issue, and got a lot of enjoyment out of seeing herself and showing some people the mag. But it was only recently, after breaking up with a guy she'd been dating for a long time, that she started thinking about screwing for the mag. "I fantasized about it at night in bed while getting myself off, and the more I came, the better the idea seemed," Nikki said. And after I'd arranged a trip to Naples (on Florida's west coast) it was easy to add a couple of days on to the trip and go over to Miami to fuck the stud."

"As soon as Magnum and I started screwing, I forgot all about the camera and got into it," said Nikki. "The camera guy had to remind me to look at the camera now and again, and he commented that I had a shit-eating grin on my face every time I did. Well, it had been a while since I'd been filled with cock–and I'd never been filled with such a big one. Size does matter, as far as I'm concerned. I've never had anal sex, but if Magnum had asked if he could do me in the butt, I'd have nodded and told him to go ahead. I was amazed when I felt an orgasm building up because I never expected to have one, to be honest. But I did, and that was like the icing on the cake as far as I was concerned. So I was happy to let Magnum cum in my mouth. He tasted so good!"

"I like to be on top when I'm fucking," Nikki said. "But, sometimes, I like the guy to take control and do me hard in any position he wants. I don't like being spanked or hurt, just dominated. What do I want to do next when it comes to sex? That's easy. I want to have a threesome with a couple so I can taste another girl's pussy juice for the first time while the guy is screwing me. I know a couple that I'd love to do it with. I'll make a move once the mag comes out and I can show it to them."
